Cronache lunari è un libro di Marissa Meyer pubblicato da Mondadori nella collana Chrysalide: acquista su IBS a 16.15€ Era riuscita, nel primo romanzo, attraverso il chip lunare inserito in Nainsi, l' androide di Kai, a contattare Cinder (la protagonista) per avvertirla del reale piano della Regina Levana rispetto all'imperatore di Nuova Pechino.

**Cinder cronache lunari wikipedia, report includes: contact ...**
Dopo "Cinder" e "Scarlet", Marissa Meyer ci regala il terzo romanzo della saga delle "Cronache lunari", dove i colpi di scena si succedono in un mix di azione, humour e romanticismo. Cress has only sixteen and for much of his life he lived captive or, as he prefers to say, "damsel in distress" on a satellite in orbit in space, where the only contact with the outside world have come about through the Internet.

Winter - Cronache lunari (Italian Edition) eBook: Meyer, Marissa, Dallavalle, Maria Carla: Amazon.co.uk: Kindle Store

La giovane principessa Winter è molto amata dal suo popolo per la sua grazia e la sua gentilezza. E, nonostante le cicatrici che ne deturpano il volto, è considerata uno splendore dai Lunari, anche più della regina Levana, la sua matrigna. Winter, poi, disprezza la sovrana con tutta se stessa, anche perché sa che la donna non approverà mai i suoi sentimenti per il bel Jacin, amico d'infanzia nonché guardia del palazzo. Ma Winter non è la fragile creatura che Levana pensa che sia. Infatti, la ragazza ha l'occasione di privarla del suo potere. E ora, grazie all'aiuto della cyborg Cinder e delle sue alleate, le viene offerta la possibilità concreta di dare inizio a una rivoluzione che rovesci la sovrana e ponga fine così alla guerra che infuria ormai da tanti, troppi anni. Riusciranno Cinder, Scarlet, Cress e Winter a sconfiggere Levana e a trovare ognuna il proprio lieto fine? In questo ultimo volume delle "Cronache lunari", Marissa Meyer costruisce un finale mozzafiato che di certo non deluderà i tanti fan della serie.

In Seattle's upscale Blueridge neighborhood, James Sinclair, his wife Anne, and their two small boys are found brutally murdered in their home. Their bodies are carefully laid out: blindfolded, hands tied, and crosses drawn in blood across their foreheads. Above the bedroom door, the words "thirteen days" are scratched into the frame. At the same time, a card with the words "thirteen days" written on it is delivered to the office of powerful lawyer Nathan Quinn, a partner at Sinclair's law firm. From the evidence found at the scene, rookie homicide detective Alice Madison and her seasoned partner Detective Sergeant Brown determine that the prime suspect is John Cameron, a fugitive long wanted for the infamous Nostromo killings. But only Cameron's attorney knows his whereabouts, and though the clock is ticking, he seems more interested in protecting his client than preventing another murder. That attorney is none other than Nathan Quinn. Madison and Brown discover the three men are linked in other ways, too. Years ago, when they were just boys, Sinclair, Cameron, and Quinn's younger brother David were abducted. Blindfolded and taken to the woods near the Hoh River, on the picturesque Olympic Peninsula, the three boys endured a night of terror. Only Sinclair and Cameron survived. With no other witnesses, the case went unsolved and David's body was never found. After a savage attack that leaves Brown in the hospital and Madison working alone, she discovers a flaw in the investigation that puts her at odds with the department brass. To stop the killer, Madison must go back into the woods and confront the unsolved mystery of the Hoh River Boys. She must forget her training and follow her instincts to the terrifying end, even as enemies become allies in the fight against the terrible darkness descending over them all.

Working to overthrow Queen Levana, a fugitive Cinder and her companions search for Rapunzel-like hacker Cress, who has been trapped on a satellite since childhood and who has received orders from Levana to foil Cinder's efforts. By the best-selling author of Scarlet.

The much-awaited series finale in the New York Times bestselling series that began with 'Cinder'. This is not the fairy tale you remember - but it's one you won't forget

Tanaka, a boy who transferred to Takeo's school, keeps hanging around Sunakawa for some reason. At first, Takeo thinks nothing of it, but when he hears that Tanaka is just using Sunakawa, he immediately goes to help his friend! And later, Takeo finds out some distressing news from Yamato! Will Takeo and Yamato actually be separated?! -- VIZ Media

A New York Times bestseller! "A bewitching gem...I absolutely loved every moment of this story." —Stephanie Garber, #1 New York Times bestselling author of the Caraval series "If you loved the Hogwarts Library…you'll be right at home at Summershall." —Katherine Arden, New York Times bestselling author of The Bear and the Nightingale From the New York Times bestselling author of An Enchantment of Ravens comes an "enthralling adventure" (Kirkus Reviews, starred review) about an apprentice at a magical library who must battle a powerful sorcerer to save her kingdom. All sorcerers are evil. Elisabeth has known that as long as she has known anything. Raised as a foundling in one of Austermeer's Great Libraries, Elisabeth has grown up among the tools of sorcery—magical grimoires that whisper on shelves and rattle beneath iron chains. If provoked, they transform into grotesque monsters of ink and leather. Then an act of sabotage releases the library's most dangerous grimoire, and Elisabeth is implicated in the crime. With no one to turn to but her sworn enemy, the sorcerer Nathaniel Thorn, and his mysterious demonic servant, she finds herself entangled in a centuries-old conspiracy. Not only could the Great Libraries go up in flames, but the world along with them. As her alliance with Nathaniel grows stronger, Elisabeth starts to question everything she's been taught—about sorcerers, about the libraries she loves, even about herself. For Elisabeth has a power she has never guessed, and a future she could never have imagined.

Witty and charming, New York Times-bestselling author Kerstin Gier's contemporary young adult novel A Castle in the Clouds follows a girl as she navigates secrets, romance, and danger in an aging grand hotel. Way up in the Swiss mountains, there's an old grand hotel steeped in tradition and faded splendor. Once a year, when the famous New Year's Eve Ball takes place and guests from all over the world arrive, excitement returns to the vast hallways. Sophie, who works at the hotel as an intern, is busy making sure that everything goes according to plan. But unexpected problems keep arising, and some of the guests are not who they pretend to be. Very soon, Sophie finds herself right in the middle of a perilous adventure—and at risk of losing not only her job, but also her heart.
