It has been a well-known fact that astrology was called the eye of the Vedas, for it threw light on matters relating to timing events. The conduct of Vedic rituals had to be timed at a specific period, hence astrology was put to this use. In the modern context, this divine science is used to interpret birth charts to have an overview of an individual's personal and professional future in terms of success and prosperity. The book deals with this analysis at great length and enlightens a lay reader about the subject.

A classical work based on nāḍī technique of prediction.

"This book presents the ancient Hindu astrology in its occult and esoteric aspects. Traditional practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals. The ancient revelations have been restated here to meet contemporary requirements. The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages. They assumed polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding.

This book deciphers the intricacies of the compatibility of zodiac signs, the attraction between people of diverse temperaments and what leads to romantic alliances and conjugal ties.

The book principles of Nadi astrology is the very first book of Astrologer Gopalakrishnan is an eye opener in the world of Nadi astrology. Many people has not understood the usage of transit in Nadi astrology. this was the first book which explains clearly on the usage of the major transit like Saturn , Jupiter Rahu and Ketu. the lagna was used as the important starting point of the transit. Earlier most of the astrologers were using the Chandra lagna as the important point of the transit. Also the lordship of the transit of the of the planet where used rather than the Rashi is in which the planets were translating. This has brought a lot of appreciation. There are various kinds of nadi which uses variety of techniques to predict. Of course the result can vary from nadi to nadi. For instance in Bhirugu Nandi Nadi the karakas are used for predictions like venus for marriage, jupiter for self. Meena nadi uses the nashaktra paddathi which was popularized by the K.P people. Also people do not use Nadi amsa. so this book covers everything. This book is an eye opener for many people who have been exposed to nadi astrology. Many people think that some ancient rishis have written in old leaves about every one lives and there is lot of mystery shrouded in the nadi astrology. This book reveals the secret techniques used by the nadi readers in their day to day reading. These techniques are not available to the normal public or to the well known professional astrologer. USP of The Book First time a book in India explains the techniques of nadi astrology clearly. Any one who has basic knowledge of astrology can use it very well. one can give stunning prediction using these techniques. The rules of transit are different from what is given in other normal books The principles of the dasa bhukthi reading is simply stunning superb simple. One can read the horoscope with out time of birth. Many examples are given for each of the chapters.

The great Acharya Shri Krishna composed this Grantha in 11th century A.D. Thereafter the book gained unequalled admiration and was quoted in later compositions like Prashnamarg, Vidhyāmādhaviyam and Rudra's commentary on Vrihad Jataka. The Malayalam literary composition like ōnniyaccicaritam carries citation from this great grantha. The earliest mention can be cited from Shri Govinda Bhattatiri of ṭalakkulam (a.d 1237-95) who quoted it frequently. Shri Vishnu the son of Mādhavaacharya has written the Sanskrit commentary caturasundari, which is included in this work. Sriyut Puliyur Puruśottam ṇambudiri wrote the Malayalam commentary. This Grantha is the magnum opus of Horary astrology because of its historical value. This grantha is unique and different from most of the Jyotisha granthas. The grantha is neither too short nor too descriptive. The author mentions that he has done it intentionally so readers should not lose the interest or it should not become too complex. Level: This book is a part of advance Vedic Jyotisha related to ancient prashna system of Kerala.

Vedic astrology or Jyotisha is an ancient Hindu system of astrology, it is the knowledge that has been given by the sages of ancient times for the welfare of mankind. Career is the most important thing in our life. We all are born to do something to earn a livelihood. This book contains all the techniques from various systems of Indian astrology such as the Parashar astrology, Nadi astrology, KP astrology or Krishnamurti paddhati for finding the profession of a person and the time of getting into that profession.This book contains topics like: Planets and the vocation.Signs and the vocation.Job or Business?Finding the Vocation from the position of Saturn.Classical Methods of finding the profession.Finding the profession from the position of the 10th lord.Determining the profession through the atmakaraka and Amatyakaraka.Finding the profession through D10 or Dasamsa? The timing of the profession through vimshottari dasha, KP system, and Nadi astrology.This book contains only 30 pages but these 30 pages are enough to know everything about how to predict the profession through astrology
