Evelyn Sloppy presents 20 projects for super-quick quilts. Each quilt features one supersized block, with just three to five fabrics and large pieces, you can whip up a traditional quilt in no time.

Create quilts, plus spin-off projects including a table runner, pillow, and candle mat with this book, which features 11 projects. Use sashings, alternate settings, and unique border treatments to make extraordinary designs.

With your leftover quilt blocks you can make: Chair pillow, Picnic place mat set, Sewing Machine Cover, Wall Hanging Headboard, Fuzzy Baby Blanket and much more.

Combine faux chenille and raw-edge patchwork and what do you get? The cuddly quilts. Pair two trouble-free techniques for a twist in these reversible quilts.

It ' s quilting made as simple as paint-by-numbers! With a new method called foundation piecing, you just follow a numerical sequence to stitch fabric onto a foundation. Even the smallest pieces meet precisely, quickly, and accurately. With 365 projects, you could make one every day of the year. They ' re organized month-by-month, so you could make a patriotic quilt with the July blocks; a

Thanksgiving quilt in November; a Christmas quilt with the December blocks; or pretty floral quilts with each month 's flowers. (There are also some whimsical designs such as the yellow submarine that marks the day the Beatles came to America.) Photos of quilts made with blocks for each month accompany the complete instructions for the entire foundation piecing process.

Quilt block designs and pieced top patterns lend themselves beautifully to millefiore cane making and other techniques used in polymer clay. Well-known polymer clay artists Skinner and Helm show how to create amazing quilt patterns including Amish Bars, Log Cabin Variations, Nine Patch, Drunkard's Path, and others.

Nancy's latest blocks sew up faster than ever.

Revisit the '30s with 20 Kansas City Star patterns redrafted to use paperpiecing techniques. Patterns are printed in 4" and 10" sizes.

Modern Japanese quilting blends Eastern and Western techniques to create quilts of extraordinary style and beauty. Using designs borrowed from a rich decorative arts heritage, and often incorporating traditional kimono fabrics, Japanese quilters have developed a distinctive style based on unusual motifs and striking color combinations. With Japanese Quilted Blocks to Mix and Match, any quilter can create exquisite and unique works of patchwork art in the Japanese tradition. The book presents more than 125 different block patterns, each with complete instructions and a color photograph, representing a variety of pattern sources: kamon (family crests), Hakone yosegi (parquetry) and traditional textiles, such as kasuri weave. Each 9-inch block includes a full cutting guide and fabric palette; suggestions for use, either mixing and matching or adapting to an all-over design; and icons indicating techniques and skill level. The blocks on each spread are related in design and technique. In addition to the Block Directory, Japanese Quilted Blocks to Mix and Match features an Inspiration Gallery, showcasing examples of finished quilts from leading quilters. Using these examples, author Susan Briscoe explores such topics as color ideas from traditional Japanese textiles and quilts, motifs, and recommendations for combining fabric patterns and block designs. An extensive section on technique, as well as several pages about the fabrics themselves and a listing of suppliers and organizations make this volume as practical and informative as it is beautiful.
