Yoga instructor, massage therapist, and anatomy teacher Kelly Solloway provides an entertaining journey through the human body, focusing on the bones, joints, and muscles used in yoga. Each anatomical feature is illustrated with a beautiful black-and-white drawing of a yoga posture, or asana, to color, making it easy to remember their location and function. Plus, for the first time brand-new fan-submitted stories offer the most random experiences you can imagine! Once you meet the People of Walmart, you are sure to fall in love.

An irresistible photographic story featuring wild squirrels in homemade miniature domestic settings -- taking a bath, doing laundry, and barbecuing -- will surprise and amuse readers and animal lovers of all ages! Adorable squirrels as you've never seen them! You may think you know what squirrels do all day...but Mr. Peanuts is no ordinary squirrel. Instead of climbing tress, he plays the piano. ("Moonlight Sonata" is his favorite.) Instead of scurrying through the woods, he reads books (such as A Tail of Two Cities). But everything is more fun with company, so Mr. Peanuts writes a letter to Cousin Squirrel and invites him for a visit! Featuring candid photographs of wild squirrels in handcrafted, homemade miniature settings, this irresistible book is sure to delight readers young and old!

Peanuts is the most popular comic strip in the history of the world. Its characters -- Charlie Brown, Snoopy, Lucy, Linus, Schroeder, and so many more -- have become dearly loved icons for generation after generation. Now Charles Schulz's classic, Peanuts, will be reprinted in its entirety for the first time. In these beautifully produced editions, the strip will be presented in full in chronological order. They will be the ultimate books for Peanuts' fans the world over. These first volumes will be of particular fascination to Peanuts aficionados. Many of the strips from the series' first two or three years have never been collected before, in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know. And Snoopy debuts as a puppy!

All your favorite Peanuts characters can't wait to join the fun as the carnival rolls into town! But it's not all fun and games - September doesn't just bring the fair, but the start of the new year of school, too, and Peppermint Patty just can't hide her, well, lack of excitement. Throw in Linus and his beloved blanket, a crop of Charles Schulz Sunday strips, and a 1st appearance Pig Pen variant cover, and you've got another classic issue of PEANUTS!
