Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand "job description" for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and

meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They

may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how

to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires.

Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

Just as a parent will pass the eldest child's used clothing down to the younger sibling, so veteran ministers of the Church will pass their teachings on down to the preacher boys - this publication is a collection of common mistakes preachers make in preaching certain texts that sound good 'holly-wood' preaching, but are not accurate interpretations of scripture. Let us examine these common Pastor-Hand-Me-Downs and come to a better conclusion on these matters - in a way getting them right is important to our walk. In this book,

we see what the scripture plainly teaches about the Second Advent. There is only one resurrection for the Justified at the one coming of Christ. We shall also see that there is only one way of sanctification in all ages and that this way is to endure unto the end to enter the Millennial Kingdom. There is only one elect and the emphasis is on the coming Kingdom to earth. As I unravel this material, I will give the verses of scripture so that you can see the reference to what is being discussed.
