Paper, Lined Blank Cover Finish: Glossy

Remember the true meaning of the holidays with three touching novellas from best-selling author Lurlene McDaniel. In the opening novella, "Christmas Child," 15-year-old Melanie is just getting used to the idea of having a sister when she learns that the child will only live for a few hours. But Melanie learns much about love during her sister's brief but poignant life. In "The Last Dance," Brenda is faced with the difficult choice between good intentions and what she really wants when she becomes the last chance for happiness for a dying boy. In "Kathy's Life," two 16-years-olds seem to have everything on the surface, but not everything is as perfect as it appears.

A Christian 's Five-Year Journal presents a verse each day and asks a thought-

Access Free 5 Year Journal Starry Night Large 6 X 9

provoking question for you to answer. At the end of the year, you start over again, answering the same questions. You will see how your views have changed and, hopefully, how you have grown spiritually through the years. It will start you studying Bible viewpoints day by day in ways you have always thought of doing but just never got around to. Your views can gradually change from a worldly view to a spiritual view as you answer the questions. It is light on words but deep on thoughts.

One Line a Day journals are the perfect way for you to keep a family keepsake or memory journal. Each page has room for a quick paragraph each day throughout the year. You simply fill in the date and year and then add your thoughts. The following year, when you come back to the page and you can see what you were doing, or what happened on the same day.

Out on a stargazing venture in this wordless picture book, Owly and Wormy discover that it ' s fine to be frightened—but it ' s better to be brave. Owly and Wormy want to see the stars! So they gather their telescope and their lantern and head out into the dark night, all the way to the edge of their branch. Try as they might, though, they can only see leaves...and branches...and more leaves. But these two friends are not about to let a little obstacle like foliage stop them. Armed with camping gear, galoshes—and their wits, of course!—Owly and Wormy

Access Free 5 Year Journal Starry Night Large 6 X 9

Memory Book

set out once again. And this time there are even bigger challenges to face. What ' s that screee sound? What ' s that click click clicking noise? And what has happened to their telescope?! Owly and Wormy find plenty to be frightened of, but with a little bravery, they also find there are nearly as many helpful new friends on the horizon as there are stars in the sky. This wordless picture book conveys a nuanced narrative with charming illustrations that will appeal to even the earliest readers.
