This will allow you to play along with the song in any number of ways. Here is an example: The verse is the chords C and F. Most first time students will learn the chords in root position with both hands, and then learn to play the F chord in second inversion, with the C on the bottom. This voicing is how the chord is played in the song.

Internal politics and trends in popular entertainment, censorship and anti-American policy as they individually or collectively affected the Department. Martin Dibbs examines how the Department's programmes became markers in the daily and weekly lives of millions of listeners, and helped shape the nation's listening habits when radio was the dominant source of domestic entertainment. The book explores events and topics which, while not directly forming part of the Variety Department's history, nevertheless intersected with or had an impact on it. Such topics include the BBC's attitude to jazz and rock and roll, the arrival of television with its impact on
