A classic coming-of-age love story from beloved Newbery Medal winner Beverly Cleary. Sixteen-year-old Shelley Latham longs for her junior year of high school to be different from the stifling sameness of the years before. When she is sent from Oregon to California to stay with friends of the family for the school year, she gets her wish. Right away, Shelley's pretty looks and "Northern" ways endear her to her new classmates, including Hartley, the student body president. Meanwhile, Shelley sets her heart on star basketball player Philip—and when he asks her out, everything seems perfect. Shelley truly is the luckiest girl...but is it Philip or Hartley whom she really loves?

Ellen was eight years old and wore bands on her teeth. Her best friend had just moved away and she missed her. Still, as she walked to the Spofford School of the Dance one Saturday, she was almost glad she had no best friend. Best friends do not have secrets from each other, and Ellen had a secret she did not want to share with anyone. But by the time the dancing lesson was over (surely the most devastating dancing lesson on record), Ellen had found a best friend and shared her secret. The best friend was Austine, and the secret was that Ellen was wearing woolen underwear. So was Austine! This whole book is a cause for rejoicing, for Mrs. Cleary has done it again. Ellen Tebbits is as funny as Henry Huggins. Perhaps it is even funnier. The children who read it will decide for themselves. Louis Darling, who has provided the wonderful illustrations, has already made his decision. He calls it a draw.

Walking with Ramona explores the streets, schools, characters, and neighborhoods of author Beverly Cleary's Portland. With this newest and most unusual Portland guidebook, readers can walk the very sidewalks Beverly walked and climb the very school steps that Beverly climbed. You'll see the grocery parking lot where Ramona got stuck in the mud, the park lawn where Henry Huggins hunted nightcrawlers, and the real Portland street that became Klickitat Street, their fictional home. Beverly Cleary's Portland was much different than the Portlandia of today. Walking with Ramona brings to life what that 1920s and 1930s Portland was like for the "girl from Yamhill" who went on to become an internationally beloved author. Characters like Ramona and Bezus, Henry and Ribsy, and Ellen and Austine come to life on this hour-long walking route through the Northeast Portland neighborhood where Beverly grew up. An almost 3-mile walk around Northeast Portland, plus other Oregon destinations.

There was nothing Otis Spofford liked better than stirring up a little excitement, particularly at school. A less resourceful teacher than Mrs. Giltter would have found him pretty hard to take. But even Mrs. Giltter did not entirely relish the bullfight at the fiesta arranged for the P.T.A. meeting. Otis was disappointed at not being the torador, but as the front half of the bull he managed to steal the whole show, to the annoyance of his classmates and his teacher. It was then that Mrs. Giltter suggested that Otis might someday get his comeuppance. Of all Otis's acquaintances, the neat and well-behaved Ellen Tebbits was the one he most enjoyed teasing. Strangely enough, it was Ellen who at last brought about his comeuppance. But before that happens, his losing spitball battle with Mrs. Giltter, his surprising affection for the experimental baby rat, and his insect collecting on behalf of the football hero provide a feast of fun for any child or grownup. Mrs. Cleary's gifts as a writer are many, and her real understanding warms every page of this wonderful story of a "bad boy."
