Deep in a wood in the Marches of Wales, in an ancient school bus there lives an old man called Bob Rowberry. A Hero for High Times is the story of how he ended up in this broken-down bus. It's also the story of his times, and the ideas that shaped him. It's a story of why you know your birth sign, why you have friends called Willow, why sex and drugs and rock'n'roll once mattered more than money, why dance music stopped the New-Age Travellers from travelling, and why you need to think twice before taking the brown acid. It's the story of the hippies for those who weren't there - for Younger Readers who've never heard of the Aldermaston marches, Oz, the Angry Brigade, the Divine Light Mission, Sniffin' Glue, Operation Julie, John Seymour, John Michell, Greenham Common, the Battle of the Beanfield, but who want to understand their grandparents' stories of turning on, tuning in and not quite dropping out before they are gone for ever. It's for Younger Readers who want to know how to build a bender, make poppy tea, and throw the I-Ching. And it's a story of friendship between two men, one who did things, and one who thought about things, between theory and practice, between a hippie and a punk, between two gentlemen, no longer in the first flush of youth, who still believe in love.

Flowed Like Wine") in the 1940s before she became a successful solo act in the 1950s—punctuated by her energetic performance at the 1958 Newport Jazz Festival, as captured in the concert film *Jazz on a Summer's Day*. Unfortunately, O'Day was as well known for her drug problems as her jazz singing, and in *High Times Hard Times*, O'Day offers an unvarnished personal account of her life, as well as a behind-the-scenes look at the golden age of jazz. Starting out with her grisly 1966 overdose, then flashing back to tell all from the beginning, *High Times Hard Times* presents an intimate portrait of a larger-than-life jazz and big-band singer—the success of her early career, the tragedy of heroin addiction, her painful recovery, and her ultimate triumph. Filled with vivid characters, including Gene Krupa, Stan Kenton, Roy Eldridge, Billie Holiday, and other jazz legends, this candid, classic memoir is a must-read for anyone interested in the real details of jazz's golden age.
