"A Time Of Torment" continues the journey of Charlie Parker from a broken guilt ridden policeman to an avenging crusader against evil. Where that journey will take him and to what he will become, is what keeps the series so fresh and each book so eagerly awaited. If you have not read any of the series, I would urge you to begin with the first book.

A Time Of Torment | Charlie Parker Thriller 14. The

"A Time Of Torment", #14 in the Charlie Parker series, is in some ways, the detective's coming out party. John Connolly, the author, has been teasing readers, and Charlie Parker, off and on in this detective series with vague hints of paranormal interferences and more overt episodes of evil gods and angelic attacks against the innocent who are victims and the allied who embrace being possessed.
