I have one simple rule: no sexual contact. Yeah, I ' m a male escort, but that doesn ' t mean my body ' s for sale. I provide companionship to women who can afford it and understand my rule. It ' s simple really. I need to be in control, not my body. Someone already screwed me once when I lost control, and not in the good way. So, no sexual contact. Sure. I ' ll kiss them, and I ' ll even give them a little strip tease if they don ' t mind seeing the scars from my SEAL days, but nothing more. Damn. At least that ' s the way it ' s supposed to be. The way it was. Until her. Until Serena. The little socialite gets under my skin and is hot as sin. I was just supposed to be her arm candy for a few events, but I can ' t help it. I want more. I want her. And I want to break my one simple rule.

Embrace and revel in the stories of the toughest cyclists of all time, told by The Velominati, originators of The Rules. Read and get ready to ride . . . In cycling, suffering brings glory: a rider's value can be judged by their results, but also by their panache and heroism. Prepared to be awed and inspired by Chris Froome riding on at the Tour de France with a broken wrist or Geraint Thomas finishing it with a broken pelvis. In The Hardmen the writers behind cycling superblog Velominati.com and The Rules will tell the stories and illuminate the myths of not just the greatest cyclists ever, but the toughest. From Eddy Merckx to Beryl Burton, and from Marianne Vos to Edwig Van Hooydonk, the book will lay bare the secrets of their extraordinary and inspirational endurance in the face of pain, danger and disaster. After all, suffering is one of the joys of being a cyclist. Embrace climbs, relish the descents, and get ready to harden up. . .

Moving to Hillcrest, Ohio, when his adoptive father accepts a temporary job, twelve-year-old Jeremiah, a heart transplant recipient, has sixty days to find a baseball team to coach.

Joe Field had never met his father. "He was a firefighter," his mother told him. "He was in the Air Force," she said another time. She never even told Joe the man's name! Growing up rough--poor, kidnapped and evicted so many times he lost count--school was Joe's refuge. Eventually he became a lawyer, but in a few years lost even that. He had a family of his own when he prayed on Father's Day 2016 to find his birth father. By the grace of God, he found his father and so much more, and in the process discovered that through all those years of seeking, his heavenly Father had been seeking him."
