If you have done research on marketing on the internet, the chances are that you have come across the term 'affiliate marketing' at least once. You may not have explored the term or understood what it is, but you must at least have heard a mention of it. If not, don't worry. The following paragraphs and chapters will help you gain a good understanding of this term. Affiliate marketing is a type of performance-based advertising that pays for performance in advertising. In this type of advertising or marketing, the purchaser pays the advertiser only when the results of the advertising are measurable. This type of advertising is becoming more prominent with the spread of the internet since tools such as Google Analytics and many other apps make it possible for a company to know the user response to its advertisements. In affiliate marketing, the company hires one or more affiliates. These affiliates do the marketing for the company on the net. Based on the number of visitors or customers they bring in through their marketing efforts, the affiliates are paid by the company. Put simply; you can make money online when you are rewarded by a business for promoting their service, product or website. From the perspective of a company, you can hire someone else to market whatever it is that you are selling and pay them based on the results, i.e. the number of customers they are able to attract through their marketing.

Are you looking for a simple, beginner-friendly online business that you can start today with Internet and less than \$100? Do you want to know how you can make 6-figures income busines from Home? Affiliate marketing is a highly profitable online advertising method in which Web site merchants pay independent third parties to promote the products or services of an advertiser on their Web site. In other words, affiliate marketing involves posting a company's banner on your Web site or blog and attempting to send visitors to their Web site. If someone clicks on that banner or goes to that site and buys something, you will be paid a commission. Affiliate marketing is now viewed as a key component of a company's online marketing strategy. In this new book you will learn how to master the art and science behind affiliate marketing. The keys to success in affiliate marketing are knowing what you are doing, devising a comprehensive and well-crafted advertising plan, and knowing the relationships between your Web site, search engines, PPC advertising, and campaign methodology. This exhaustively researched new book will provide everything you need to know to get you started.—From publisher description.
