She finds living with her sister away from English soil to be just the ticket to the new life she is trying desperately to find. So when the offer of a job at the infamous Gothic nightclub Afterlife comes along she thinks that lady luck has finally found her. Warning: This book is amazingly addictive, with its dark mystery, haunting horror, seductive twists and one sexy dark lord that has the reader drooling every time the name Draven appears on the page!

The Sands of Time are filled with dangers and new enemies to face. But for Keira to stand tall in a world she does not know, she must first brave the differences in loving the man she calls Draven and the man she must now call her King. Join Keira as she is thrown into an ancient time and faces her biggest challenge yet... How to get a Demon King to fall for a human girl he is forbidden to love.

After facing her nightmares head on, Keira soon finds her troubles have only just begun, and if she thought mortals were dangerous, then being hunted by the world's most powerful beings will spin her further into a web of supernatural destruction. Keira can't help seeing the handsome man before her, she can't help the dreams that consume her and neither can she stop him from wanting her. The controlling man that follows her every move isn't the man she's dating, but the man that's hunting her. Now it's down to the only man with enough power to keep her safe, and he doesn't play well with others. Nor does he take kindly to people trying to take what belongs to him, and Keira belongs to only one man... Dominic Draven. Will the fight for their love be enough to survive the new world she is forced to live in? And more importantly, can she survive being with the King of the Afterlife?!

With Keira finding death on her door, she is suddenly plunged into a world of the unknown and has to face it alone... Or does she? Soon this new life is filled with heartache, with shadowed followers and cryptic messages that only promises to lead her deeper into the world of the supernatural like never before. For Keira, even taking a breath without the other half of her soul is painful. So when given the choice to either accept what life the fates have decided she live, or to force that life behind her and accept the dangerous journey ahead, the answer is easy... She will fight to save the man she loves. But this fight includes Heaven and Hell in search of the truth, a truth that will either set her heart free or be destroyed on the other side. Are the fates really to be trusted?

Keira soon finds herself becoming a pawn in a game she could never hope to win, and now the King on the board is a Vampire on a mission. With the only man able to stop him miles away from the mountain prison in which she is kept, she must now choose which path to take in order to survive. With enemies at all sides closing in quick, she must tread carefully, or she might find the man to save her isn't the White Knight she loves... but the Dark King she loathes. Time with the Vampire King is dangerous, and Keira soon learns that it is more than just the power of her mind she needs to keep locked but also the power of her heart... And Lucius might just hold the key to both.

It's been seven years. Seven long years since that cold and cruel Vampire King, Lucius, broke her heart. Her naive little heart destroyed after one painful night, when she sneaked into his Gothic nightclub, Transfusion. Seven years ago, he humiliated her, casting her aside and telling her just what he thought about her little obsession with him. Then he saved her life. Well, now he is back and this time he is out for blood, and all she can hope for is that it isn't hers that's on the menu. Because she is just your typical, ordinary, everyday girl who works and lives in London. Even if she is trying to make it on her own without the safety of her family. However, growing up knowing of the supernatural world and being human definitely has its draw backs. Especially when a certain Vampire King has her in mind for a date, and his dominant and forceful ways are sending her re-ignited obsession with him into overdrive. But he does like her... doesn't he?

Time. Truth. Life. "There is weakness in all when lies are told but the strength in each is what we must behold." Can our Chosen One find her way back from the deception and chaos that surrounds her, or is this the life of a trapped girl, broken and lost forever? A worldwide search might be on the cards but what if the girl they're looking for was never meant to be found? These are the questions both sides face in a race against time, truth, and the life they are all trying to save. The battle against evil continues in the most unlikely of places, and emotions run wild in this next instalment of the Afterlife saga. Will you take the plunge with our characters and delve deeper into the world of Afterlife, further than you've ever gone before?

As Keira still finds Persian sands beneath her feet, she is yet to discover the true meaning of what it is to be The Chosen One to the King of Kings. For now that Arsaces has her, he simply plans on keeping her... No matter what the cost. Even if that means fighting the prophecy and stealing her from the only world she has ever known... A world that is about to end.
