So what is a bullet journal? It's a planner, to-do list and diary that will help you get your life together! This fun, practical guide shows you how to start and keep a bullet journal: a single notebook in which you write down all the things that you want to remember, or need to do, or you've already done – from every aspect of your life: work, home, relationships and hobbies. With colourful illustrations and easy tips to get you started, early adopter Rachel Wilkerson Miller explains how to make a bullet journal work for you – whether you want to create something simple or elaborate. Ideas for content include: - Lists of your to-dos and to-don'ts - Symbols that will make your lists efficient and effective - Calendars to plan your day, week, month or year - Trackers for your habits and goals (think health, money, travel) - Stationery such as wash tape, book darts and more! The phenomenon that is bullet journaling has led to thousands of journalers sharing their work on Pinterest, Instagram and Facebook. In How To Bullet Plan, Buzzfeed editor Rachel Wilkerson Miller tells you everything you need to know to start your own.

The search for the real historical person known as John the Baptist and the traditions that began with him • Explores why John the Baptist is so crucially important to the Freemasons, who were originally known as "St. John's Men" • Reveals how John and Jesus were equal partners and shared a common spiritual vision to rebuild Israel and overcome corruption in the Temple of Jerusalem • Explains the connections between John as lord of the summer solstice, his mysterious severed head, fertility rites, and ancient Jewish harvest festivals Few Freemasons today understand why the most significant date in the Masonic calendar is June 24th—the Feast of the Birth of St. John the Baptist and the traditional date for appointing Grand Masters. Nor do many of them know that Masons used to be known as "St. John's Men" or that John the Baptist was fundamental to the original Masonic philosophy of personal transformation. Starting with the mystery of John in Freemasonry, Tobias Churton searches out the historical Baptist through the gospels and ancient histories, unearthing the real story behind the figure lauded by Jesus's words "no greater man was ever born of woman." He investigates John's links with the Essenes and the Gnostics, links that flourish to this day. Exposing how the apostle Paul challenged John's following, twisting his message and creating the image of John as "merely" a herald of Jesus, the author shows how Paul may have been behind the executions of both John and Jesus and reveals a precise date for the crucifixion and the astonishing meaning of the phrase "the third day." He examines the significance of John's severed head to holy knights, such as the Knights Templar, and of Leonardo's famous painting of John. Churton also explains connections between John, the summer solstice, fertility rites, and ancient Jewish harvest festivals. Revealing John as a courageous, revolutionary figure as vital to the origins of Christianity as his cousin Jesus himself, Churton shows how John and Jesus, as equal partners, launched a covert spiritual operation to overcome corruption in the Temple of Jerusalem, re-initiate Israel, and resurrect Creation.

Generating Traces in the History of the World is a synthesis of Monsignor Luigi Giussani's reflection on the Christian experience. His exploration of Christianity as an unforeseen and unforeseeable event in which the mystery became a man reveals how, by acknowledging this fact, an individual is simultaneously able to use reason and be moved by affection. Discussing the ways in which Christ continues to be present in history through the companionship of those whom He joins to himself in Baptism, Giussani illuminates how a sense of Christ's mercy can overcome negativity and encourage a useful life. A profound and moving work, Generating Traces in the History of the World will interest all those who have been inspired by Giussani's thought.
