"A great American success story . . . an endearing and well-written book."—The New York Times Book Review Colin Powell is the embodiment of the American dream. He was born in Harlem to immigrant parents from Jamaica. He knew the rough life of the streets. He overcame a barely average start at school. Then

he joined the Army. The rest is history—Vietnam, the Pentagon, Panama, Desert Storm—but a history that until now has been known only on the surface. Here, for the first time, Colin Powell himself tells us how it happened, in a memoir distinguished by a heartfelt love of country and family, warm good humor, and a soldier's directness. My American Journey is the powerful story of a life well lived and well told. It is also a view from the mountaintop of the political landscape of America. At a time when Americans feel disenchanted with their leaders, General Powell's passionate views on family, personal responsibility, and, in his own words, "the greatness of America and the opportunities it offers" inspire hope and present a blueprint for the future. An utterly absorbing account, it is history with a vision. Praise for My American Journey "The stirring, only-in-America story of one determined man's journey from the South Bronx to directing the mightiest of military forces . . . Fascinating."—The Washington Post Book World "Eloquent."—Los Angeles Times Book Review "Profound and moving . . . Must reading for anyone who wants to reaffirm his faith in the promise of America."—Jack Kemp, The Wall Street Journal "A book that is much like its subject—articulate, confident, impressive, but unpretentious and witty. . . . Whether you are a political junkie, a military buff, or just interested in a good story, My American Journey is a book well worth reading."—San Diego Union Tribune "Colin Powell's candid, introspective autobiography is a joy for all with an appetite for well-written political and social commentary."—The Detroit News

From one of America's most inspiring leaders, a book about the core truths that unite us and how best to act upon them, The daughter of immigrants and civil rights activists, Senator Kamala Harris was raised in an Oakland, California, community that cared deeply about social justice. As she rose to prominence as one of the political leaders of our time, her experiences would become her guiding light as she grappled with an array of complex issues and learned to bring a voice to the voiceless. Now, in The Truths We Hold, she reckons with the big challenges we face together. Drawing on the hard-won wisdom and insight from her own career and the work of those who have most inspired her, she communicates a vision of shared struggle, shared purpose, and shared values as we confront the great work of our day. Book jacket.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other

state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Describes one Honduran boy's difficult and dangerous journey to find his mother, who had made the trek northward to the United States in search of a better life when Enrique had been five years old, but who had never made enough money to return home for her children, in a poignant account that addresses the issues of family and the implications of illegal immigration. Reprint. 30,000 first printing.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

J. M. Adovasio has spent the last thirty years at the center of one of our most fiery scientific debates: Who were the first humans in the Americas, and how and when did they get there? At its heart, *The First Americans* is the story of the revolution in thinking that Adovasio and his fellow archaeologists have brought about, and the firestorm it has ignited. As he writes, "The work of lifetimes has been put at risk, reputations have been damaged, an astounding amount of silliness and even profound stupidity has been taken as serious thought, and always lurking in the background of all the argumentation and gnashing of tenets has been the question of whether the field of archaeology can ever be pursued as a science."

After his 2014 expose about his experiences as a prison guard in a Louisiana for-profit prison, Shane Bauer soon realised the cruelty of the current American system and its place in the larger story of mass incarceration cannot be understood without first understanding its origins. In *American Prison*, Bauer weaves together a deeper reckoning of his prison guard experience with a thorough history of for-profit prisons in America. A blistering accusation of the private prison system in the United States, *American Prison* is a necessary human document about the true face of justice in the USA.
