character of the United States. Comparing and contrasting musical styles across regions and time, Candelaria and Kingman deliver a vision of American music both exuberant and inventive, a music that arises out of the history and musical traditions of the many immigrants to America's shores.

In *The American South*, William J. Cooper, Jr. and Thomas E. Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States. Each volume includes a

Get Free American Music A Panorama Concise Edition

substantial biographical essay—completely updated for this edition—which provides the reader with a guide to literature on the history of the South. Coverage now includes the devastation of Hurricane Katrina in 2005, up-to-date analysis of the persistent racial divisions in the region, and the South's unanticipated role in the 2008 presidential primaries.

Written for Introductory Sociology and Sociology of Popular Music courses, the second edition of *Understanding Society through Popular Music* uses popular music to illustrate

Get Free American Music A Panorama Concise Edition

fundamental social institutions, theories, sociological concepts, and processes. The authors use music, a social phenomenon of great interest, to draw students in and bring life to their study of sociology. The new edition has been updated with cutting edge thinking on and current examples of subcultures, politics, and technology.

This best-selling survey text describes American music as a collection of distinct strains of music--including popular, folk, sacred, classical, blues, jazz, and rock music - that have evolved into a

Get Free American Music A Panorama Concise Edition

musical panorama reflecting the nation's unique character. By comparing and contrasting America's musical styles across regions and time periods, Kingman delivers a clear vision of American music that encompasses the historical sources of all American music, the ways in which diverse styles have influenced each other, and the cultural contributions of America's innovative and original composers.

An exhaustive reference detailing the mirth and music of country music humorists and comedians
