We are the last humans. We are hunted. We are refugees. We must return to Earth. The alien scorpions attack us across the galaxy. They butcher millions. Humans are now an endangered species. But we have not given up. We still have a few starships. We still have some hope. And we have a map home. On Earth, we can be free again. On Earth, we can stand tall. On Earth, we can rebuild what we have lost. Earth is but an echo, calling from beyond the darkness. We will answer her call. We will find our lost world. We will defeat our enemies. We will rise again!

"Plenty of crowd-pleasing death and destruction...Schumacher wraps up her story with a literal bang." --Booklist Seven signs warned them. Now it's time for Carbon County to fight back. In End Times, Daphne lost herself in love with Owen, only to discover the dark secret that puts Carbon County at ground zero for the end of days. . . . All thirteen of the Children of Earth have arrived and taken root in town. Together at last, they can perform the series of rituals necessary to awaken their father, a wrathful entity known as the God of the Earth. Daphne protects their identities from Pastor Ted and the God-fearing locals out of love and allegiance to Owen. But when people start disappearing from town and Daphne begins receiving visions from God, her allegianceand even her loveis brought into question in this astonishing companion novel to End Times.

Adrian Tchaikovsky's award-winning novel Children of Time, is the epic story of humanity's battle for survival on a terraformed planet. Who will inherit this new Earth? The last remnants of the human race left a dying Earth, desperate to find a new home among the stars. Following in the footsteps of their ancestors, they discover the greatest treasure of the past age - a world terraformed and prepared for human life. But all is not right in this new Eden. In the long years since the planet was abandoned, the work of its architects has borne disastrous fruit. The planet is not waiting for them, pristine and unoccupied. New masters have turned it from a refuge into mankind's worst nightmare. Now two civilizations are on a collision course, both testing the boundaries of what they will do to survive. As the fate of humanity hangs in the balance, who are the true heirs of this new Earth?span

In The New 50 Simple Things Kids Can Do to Save the Earth, Sophie and John have revised the original best-selling book for a concerned and vibrant Web 2.0 youth market. It's easy-to-do and kid-friendly projects show that kids can make a difference, and each chapter is packed with tons of links to groups and resources. What makes this book stand out, though, is that it doesn't just inform kids, it encourages them to make a difference by providing them, their friends and their families the tools to take action. Together, John and Sophie enlighten, educate, and encourage our children with easy and smart ways to save the earth. Pretty darn cool, huh? We thought so. What you can do: Order now and help save the only earth we've got. Mother Earth needs our help now.

Audreyæ(tm)'s father taught her that to stay human in the modern world, she had to build a moat around herself; a moat of books and music, philosophy and dreams. A moat that makes Audrey different from the echoes: sophisticated, emotionless machines, built to resemble humans and to work for human masters. Daniel is an echo æ" but heæ(tm) not like the others. He feels a connection with Audrey; a feeling Daniel knows he was never designed to have, and cannot explain. And when Audrey is placed in terrible danger, heæ(tm) determined to save her. ECHO BOY is a powerful story about love, loss and what makes us truly human.
