Describes digital musical instruments, industries that supply and promote them, and the meanings they have for musicians. Winner of the International Association for the Study of Popular Music (IASPM) Book Award (1997) Recent innovations in musical instrument design are not simply a response to the needs of musicians, writes Paul Th\u00e9berge; they also have become "a driving force with which musicians must contend." He argues that digital synthesizers, samplers, and sequencers in studio production and in the home have caused musicians to rely increasingly on manufacturers for both the instruments themselves as well as the very sounds and musical patterns that they use to make music. Musical practices have thus become allied with a new type of consumer practice that is altogether different from earlier relationships between musicians and their instruments as a means of production. Th\u00e9berge places these developments within a broad social and historical perspective that examines the development of the musical instrument industry, particularly the piano industry, the economic and cultural role of musicians' magazines and computer networks, and the fundamental relationships between musical concepts, styles, and technology.

The post-Civil Rights era was marked by an explosion of black political thought and aesthetics. Reflecting a shifting horizon of expectations around race relations, the unconventional sounds of free jazz coupled with experimental literary creation nuanced the push toward racial equality and enriched the possibilities for aesthetic innovation within the Black Arts Movement. In *Imagine the Sound*, Carter Mathes demonstrates how African American writers used sound to further artistic resistance within a rapidly transforming political and racial landscape. While many have noted the oral and musical qualities of African American poetry from the post-Civil Rights period, Mathes points out how the political implications of dissonance, vibration, and resonance produced in essays, short stories, and novels animated the ongoing struggle for equality. Situating literary works by Henry Dumas, Larry Neal, and Toni Cade Bambara in relation to the expansive ideas of sound proposed by free jazz musicians such as Marion Brown and Sun Ra, not only does this book illustrate how the presence of sound can be heard and read as political, but it recuperates critically neglected, yet important, writers and musicians. Ultimately, Mathes details how attempts to capture and render sound through the medium of writing enable writers to envision alternate realities and resistance outside of the linear frameworks offered by the Civil Rights and Black Power movements. In precise and elegant prose, Mathes shows how in conceptualizing sound, African American writers opened up the political imaginations of their readers. By exploring this intellectual convergence of literary artistry, experimental music, and sound theory, *Imagine the Sound* reveals how taking up radically new forms of expression allows us to speak to the complexities of race and political resistance.

A young girl listens to her blind grandmother describe how imagination helps her write songs.

Many people today are looking outside themselves for well-being and happiness when what they're searching for has been inside them all along." -- Sandra Magsamen *Living artfully* is expressing who you are through the moments that you create. *Living Artfully* reminds us to explore and experience life with more heart, meaning, purpose, and joy. It asks us to imagine, to dream big, to believe in ourselves, to celebrate the people in our lives, make each day count, dance when the spirit moves us, laugh out loud, and let our voices be heard. In this beautiful, life-changing book, acclaimed artist and entrepreneur Sandra Magsamen will transform everything you think you know about art, creativity, and personal fulfillment. And she'll show you that you've already got just what you need in your own two hands to create the life of joy and beauty that you want -- for yourself and others. *Living Artfully* puts you in direct touch with your own imagination, where the only rule is there are no rules. Warm, encouraging, always good-humored, it is full of inspiring stories about people who pursue their own creative impulses and are rewarded with unexpected and delightful results. By following the ten principles of *Living Artfully* -- Magsamen's own dynamic process of creative thinking and being -- you will embark on an exciting personal journey of self-discovery. You'll learn how to connect with everyone in your life in inventive new ways, through everyday things, caring gestures, meaningful moments, and simple gifts that really make a difference. You'll also discover how, where, and when you can use your own creative language -- the images, words, sounds, foods, or crafts through which you most easily express yourself. To Sandra Magsamen, *Living Artfully* is connection. It's the ultimate form of communication. It's recognizing and embracing your own powerful, creative abilities. And the first step on the journey to *Living Artfully* is to rediscover the gifts of imagination, curiosity, and playfulness -- gifts that you already possess. Each chapter presents a wealth of practical and fun ideas that you can tailor to suit your own circumstances and preferences and that will jump-start your imagination and free dormant or forgotten talents. By giving yourself permission to be yourself, you'll embark on a personal renaissance, connecting with your inherent sense of fun and optimism and discovering that even simple tasks of everyday life can become perfect, natural outlets for your newfound creativity. Filled with Sandra's stunning, four-color, signature artwork, *Living Artfully* is not a how-to book but a why-to -- uplifting, motivational, and fun. It is also a guide into a new cultural movement in which people choose to live with a creative purpose, celebrating the people, places, and moments that make life truly meaningful.

When everyday concerns and problems don't subside--when desires of the heart go unmet--it's easy for people to wonder if they've done something wrong or if God cares. In this deeply personal book, Leslie Haskin explores the common challenges and longings in life that can erode faith. Avoiding pat answers, she offers biblical insights and real-life stories to stir the heart and renew the mind. Much more than just a good inspirational book, she gently persuades readers to deal honestly with their hurts and rest fully in the arms of God.

Do you love music? This music sheet notebook would make a nice gift for musicians and music lovers, perfect music notebook for men, women and kids who love music, the best gift for school music who learning music, write your music notes and enjoy music.

The definitive history of Peter Jackson's Middle-earth saga, *Anything You Can Imagine* takes us on a cinematic journey across all six films, featuring brand-new interviews with Peter, his cast & crew. From the early days of daring to dream it could be done, through the highs and lows of making the films, to fan adoration and, finally, Oscar glory.

What makes a musical note different from any other sound? How can you tell if you have perfect pitch? Why do 10 violins sound only twice as loud as one? Do your Bob Dylan albums sound better on CD or vinyl? John Powell, a scientist and musician, answers these questions and many more in *HOW MUSIC WORKS*, an intriguing

and original guide to acoustics. In a clear, accessible, and engaging voice, Powell fascinates the reader with his delightful descriptions of the science and psychology lurking beneath the surface of music. With lively discussions of the secrets behind harmony, timbre, keys, chords, loudness, musical composition, and more, HOW MUSIC WORKS will be treasured by music lovers everywhere.

What we are destined for in Christ and in the communion of saints is beyond what most can even begin to imagine. With the help of St. Paul, St. John of the Cross, St. Ignatius of Loyola, and Teilhard de Chardin, Fr. Bernie Owens provides an engaging sketch of our spiritual journey. In More Than You Could Ever Imagine, Owens offers a glimpse of what we shall become, both individually and as a human race, transformed in Christ. More Than You Could Ever Imagine is ideal reading for pastors, spiritual directors, instructors and students of formation programs and college courses of theology and religious studies; so too for anyone, Christian or non-Christian, wanting to grow in their knowledge of our journey to God. It will also be of much interest to clients of psychologists who are open to the spiritual journey.

In this moving and inspirational memoir, singer Ally Brooke recalls her journey to fame, reveals how she has remained true to her beliefs through her most difficult moments. Featuring sixteen pages of never-before-seen photos, Finding Your Harmony takes readers behind-the-scenes of her proudest musical accomplishments, solo success, and her time on Dancing with the Stars. Ally Brooke burst onto the music scene as a member of Fifth Harmony, and quickly became a fan favorite with her infectious positivity and approachable attitude – not to mention her incredible voice. Following the band’s meteoric rise to fame, she embarked on a solo career, releasing her own hit singles, joining the twenty-eighth season of Dancing with the Stars, and showing people everywhere the rewards of hard work and faith. Now in this moving and inspirational memoir, Ally opens up about the experiences that led her to the spotlight, offering lessons from the heart and revealing how her tight-knit, Mexican-American family have helped her to live fearlessly since she was first catapulted into stardom. Tracing her success from its beginnings in San Antonio, Texas, Ally details the passion for music that took hold of her at a young age, and how with the help of her family she pushed herself to achieve her dreams, no matter how impossible they seemed. While her rise to fame was rapid, it wasn’t always smooth, and Ally candidly discusses the challenges she faced along the way, sharing how she navigated tough moments by staying true to herself and her beliefs. Opening up about her journey since Fifth Harmony disbanded, Ally recalls her tireless efforts to make music on her terms, charting back to back singles in the top 40 and amassing over 200 million collective worldwide streams. She also delves into her time on Dancing with the Stars, demonstrating how she conquered her fears and insecurities on her way to a top three finish and further established herself as a role model for young people the world over. Infused with the positive approach to life and spiritual openness that have fueled Ally’s journey, Finding Your Harmony uses her stories to help others follow their inner voices—even when the outside world makes it hard. Wise, grounded, and filled with sixteen pages of never-before-seen photos, Finding Your Harmony is a fascinating glimpse into the life and heart of one of popular music’s rising stars.
