For the French, the fleeting interlude between a long workday and the evening meal to come is not meant to be hectic or crazed. Instead, that time is a much needed chance to pause, take a breath, and reset with light drinks and snacks. Whether it's a quick affair before dashing out the door to your favorite Parisian bistrot or a lead-up to a more lavish party, Aperitifis about kicking off the night, rousing the appetite, and doing so with the carefree spirit of connection and conviviality. Aperitifcelebrates that easygoing lifestyle with simple yet stylish recipes for both classic and modern French aperitif-style cocktails, along with French-inspired bites and hors d'oeuvres. Keeping true to the aperitif tradition, you'll find cocktail recipes that use lighter, low-alcohol spirits, fortified wines, and bitter liqueurs. The impressive drinks have influences from both Old World and New, but are always low fuss and served barely embellished-an easy feat to pull off for the relaxed host at home. Aperitif also offers recipes for equally breezy bites, such as Radishes with Poppy Butter, Goug res, Ratatouille Dip, and Buckwheat-Sel Gris Crackers. For evenings that are all about ease and approachability without sacrificing style or flavor, Aperitif makes drinking and entertaining at home as effortless, fun, and effervescent as the offerings themselves.

The Book of Vermouth is a celebration of the greatest cocktail staple - a mixer that is riding a growing wave of popularity around the world. It includes up to 100 modern and classical cocktail recipes - but is more than a cocktail book too, offering history and insight to botanicals, and the perspective of key chefs who like to cook with vermouth as much as they like to drink it. The authors - one a winemaker, the other a bartender - bring personality to the book via their distinct takes on what makes vermouth so special. The book includes two main sections: Vermouth Basics and How to Drink. Vermouth Basics will give a comprehensive guide to the essentials of vermouth - grape varieties, production, varieties, botanicals, spirit and sugar, and go into great detail about the history of Australian vermouth in particular. It will include botanical profiles of both indigenous and traditional plants from Tim Entwistle, botanist at the Royal Botanical Gardens in Melbourne. It will cover all aspects of wormwood: the key ingredient in making vermouth, including medicinal and historical uses, where it is found and its botanical significance. How to Drink will cover the many different ways to serve, drink and store vermouth. Chapters will cover Vermouth Neat, Vermouth in Spring, Vermouth in Summer, Vermouth in Autumn and Vermouth in Winter, as well as Bitter Edge of Vermouth, Stirred & Up, Vermouth Party and After Dinner. These chapters will be more recipe-focused, and include 10-15 recipes per chapter, drawing from each season's specific botanicals and how these work with different vermouths. Each season will also include a related food recipe.

Vermouth is currently experiencing a revival, and we can't seem to get enough of it! Jack Adair Bevan celebrates this versatile drink and its botanicals, drawing out vermouth's history and its delicate herbal flavors with recipes for cocktails, and some food to accompany them. As an award-winning food and drink writer, and one of the first restaurateurs to make his own vermouth, Jack Adair Bevan is the perfect guide through vermouth's rich history and recent resurgence. As well as Jack's original recipes, A Spirited Guide to Vermouth also contains recipes contributed from the likes of Russell Norman, Ollia Hercules, Gill Meller and Jeremy Lee. With cocktails ranging from a Toasted Nut Boulevardier to a Perfect Manhattan, and from a Blood Orange Vermouth and Tonic to a Rosemary Bijou, the book also has dedicated sections exploring classics such as the Martini and the Negroni. A Spirited Guide to Vermouth will take you on a botanical journey of discovery and teach you not only how to make your own vermouth, but also how to use it in your cooking, from vermouth-braised red cabbage to Negroni Bara Brith, along with plenty of food and drink recipes to accompany happy hour.
