Note that APM have renamed the APMP exam PMQ (Project Management Qualification) but the syllabus is unchanged. This book is a retitling of the APMP Primer to bring it in line with the renaming of the exam by APM. The content is the same. This book is aligned with the latest exam syllabus based on APMBOK 6. (Note that although APM have now published APMBOK 7, the exam is still aligned with APMBOK 6) The book has been written at a level of detail required to pass the PMQ exam. It can be used for independent study or to supplement a training course or simply read as a basic project management textbook.

For the very first time you can buy a single book covering the entire syllabus for the APMP examination, written at a level of detail required to pass the exam. The book can be used for independent study or to supplement a training course or simply read as a basic textbook on the fundamentals of project management. The author has drawn upon his considerable experience not just as a project manager but as someone who has delivered scores of training courses and written courses for several commercial course providers. This volume has now been enhanced by the addition of 44 examples of exam type questions, all with fully worked answers.

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide – Sixth Edition now contains detailed information about agile; while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide – Sixth Edition – PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge—including discussion of project management business documents—and information on the PMI Talent Triangle™ and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) – Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

An all-inclusive, self-study guide for the PMI's Project Management Professional (PMP) certification exam, this kit provides all the information project managers need to thoroughly prepare for the test. It contains the book The PMP Exam: How to Pass on Your First Try; hundreds of flash cards to help with memorization of key points; a laminated quick reference guide; a six-month online subscription to the PMP course in InSite (the top PMP e-learning site); and five audio CDs featuring experts Andy Crowe, Bill Yates, and Louis Alderman discussing the main points and concepts for the exam. The included learning materials cover all the processes, inputs, tools, and outputs that will be tested, along with insider secrets, test tricks and tips, hundreds of sample questions, and exercises designed to strengthen mastery of key concepts to help you pass the exam with confidence.
