AQA Business Studies is the only set of resources to have been developed with, and exclusively endorsed by, AQA, making them the first choice to support the new AQA specification for AS and A2. With a range of truly blended resources, AQA Business Studies offers complete coverage and support through a variety of printed and electronic media. By working closely with AQA, Nelson Thornes have produced resources that will give students and teachers all they need to work through the specification with complete confidence.

Oxford English for Academic Purposes offers a specialist course covering listening, speaking and reading in key areas of academic life such as lectures, presentations and textbooks. The course is consistent with levels A2 to C1 of the Common European Frame of Reference for the teaching of foreign languages.

Ian Marcousé has been trusted by Business students for over 15 years and his updated textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Guides students through the content in an easy to understand way, with the new 'logic chain' feature at the start of every chapter showing them the progression clearly - Helps students apply their knowledge and analyse business data with real business examples throughout - Consolidates students' learning and prepares them for assessment with the workbook feature at the end of every chapter containing knowledge check and practice questions

Surridge and Gillespie are back, helping students of all abilities reach their goal; develop students' quantitative and analytical skills, knowledge and ability to apply theoretical understanding through real life business examples and varied activities. This textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Builds up quantitative skills with 'Maths moment' features and assesses them in the end of chapter activities - Ensures students have the knowledge of real life businesses so they can apply their theoretical understanding with the 'Business in focus' feature - Helps students get to grips with the content and tests key skills with activities at the end of every chapter

Offers coverage of the AQA specifications for AS Business Studies. This book features interactive double-page spreads that cover each topic in bite-sized chunks with summaries and explanations written to the AQA specifications.

Surridge and Gillespie's bestselling AQA textbooks brought together in one updated volume covering the whole of AQA A-level Business. - This textbook's content matches the specification in Surridge and Gillespie's accessible style - Engages students with updated case studies of real companies, helping students see how business concepts and theories relate to the real world - Gives students the opportunity to build the skills they need for assessment with practice questions throughout - Helps students to build up their quantitative and analytical skills, with opportunities to analyse data - Supports student revision with new end-of-unit recap sections - Helps you cut down your preparation and marking time with an accompanying Answer Guide\* \* The accompanying Answer Guide has not been through the AQA approval process

Written in association with the EBFA, this authoritative text provides a comprehensive and insightful study of current curriculum development and classroom practice with business education. Up-to-date, practical and covering the very latest issues, it presents: \* Advice on planning courses and managing the curriculum \* The latest developments in 14-19 \* Guidance on the emerging work-related curriculum \* A focus on key topics such as enterprise education, e-learning and citizenship \* A teacher-reviewed annotated resource guide of text-based and web-based resources.

This book covers all necessary topics of the Religious Ethics A-level specification in an enjoyable student-friendly fashion.

Written by two accomplished authors, this book offers complete full-colour coverage of the OCR specifications for AS Business Studies. Interactive double-page spreads cover each topic in bite-sized chunks with summaries and explanations written to the OCR specifications.
