Miller Test Prep's study guide for the TABE is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so you pass the first time! In this Test for Adult Basic Education guide, we ensure you are thoroughly prepared for this critically important test: Comprehensive review of all TABE exam sections: Language Mathematics Reading Step-by-step examples for every concept tested Practice test questions like the real exam Detailed, thorough answer key explanations

For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor ' s classic bestseller and Lewis Carroll Shelf Award winner, The Cay. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he ' s eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States on is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother ' s warning about black people: " They are different, and they live differently. " But by the time the castaways arrive on a small island, Phillip ' s head injury has made him blind and dependent on Timothy. " Mr. Taylor has provided an exciting story...The idea that all humanity would benefit from this special form of color blindness permeates the whole book...The result is a story with a high ethical purpose but no sermon. " —New York Times Book Review " A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, ' outrageous good. ' " —Kirkus Reviews " Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children ' s literature. " —School Library Journal, Starred " Starkly dramatic, believable and compelling. " —Saturday Review " A tense and moving experience in reading. " —Publishers Weekly " Eloquently underscores the intrinsic brotherhood of man.
