Betrayal: The Crisis in the Catholic Church (Paedophilia ...

Betrayal is a solid summation of the Catholic child molestation scandal in Boston. The story all but defies belief. I finally got around to reading this book when Cardinal Law died. He was truly a despicable human being and deserved to live his final years in a jail cell rather than in comfortable retirement in the Vatican.

Betrayal: The Crisis in the Catholic Church by The Boston ...

This is the true story of how a small group of courageous journalists uncovered child abuse on a vast scale - and held the Catholic Church to account. Betrayal is a ground-breaking work of investigative journalism, now brought brilliantly to life on the screen in the major new movie Spotlight. Winner of the Pulitzer Prize for Public Service.

Winner of the Pulitzer Prize for Public Service The story behind this groundbreaking book—one of the most significant works of investigative journalism since Woodward and Bernstein's reporting on Watergate—has been brought brilliantly to life on the screen in the major new movie Spotlight, winner of the Academy Award for Best Picture. Here are the devastating revelations that triggered a crisis within the Catholic Church. Here is the truth about the scores of abusive priests who preyed upon innocent children and the cabal of senior Church officials who covered up their crimes. Here is the trail of "hush money" that the Catholic Church secretly paid to buy victims' silence--deeds that left millions of the faithful in the U.S. and around the world shocked, angry, and confused. Here as well is a vivid account of the ongoing struggle, as Catholics confront their Church and call for sweeping change.

THE BOOK WHICH INSPIRED SPOTLIGHT, 2016 WINNER OF THE BEST PICTURE OSCAR AND THE BEST SCREENPLAY OSCAR This is the true story of how a small group of courageous journalists uncovered child abuse on a vast scale - and held the Catholic Church to account. Betrayal is a ground-breaking work of investigative journalism, now brought brilliantly to life on the screen in the major new movie Spotlight. Winner of the Pulitzer Prize for Public Service. On 31 January 2002, the Boston Globe published a report that sent shockwaves around the world. Their findings, based on a six-month campaign by the 'Spotlight' investigative team, showed that hundreds of children in Boston had been abused by Catholic priests, and that this horrific pattern of behaviour had been known - and ignored - by the Catholic Church. Instead of protecting the community it was meant to serve, the Church exploited its powerful influence to protect itself from scandal - and innocent children paid the price. This is the story from beginning to end: the predatory men who exploited the vulnerable, the cabal of senior Church officials who covered up their crimes, the 'hush money' used to buy the victims' silence, the survivors who found the strength to tell their story, and the Catholics across the world who were left shocked, angry, and betrayed. This is the story, too, of how they took power back, confronted their Church and called for sweeping change. Updated for the release of the Oscar-winning film Spotlight, this is a devastating and important exposure of the abuse of power at the highest levels in society.

With this exposé, the Boston Globe presents the single most comprehensive account of the cover-ups, hush money and manipulation used by the Catholic Church to keep its history of sexual abuse secret.

Brought completely up to date in this new paperback edition, this groundbreaking book provides a detailed, devastating account of the Catholic Church's decades-long cover-up that has left millions of American Catholics shocked, angry, and confused. Encompassing the story in its entirety—as it has unfolded throughout the U.S. and throughout the Church hierarchy--BETRAYAL brings into focus the scores of abusive priests who preyed upon innocent children, and the cabal of senior Church officials who covered up their crimes. - One of the most resonant and influential works of investigative journalism since Woodward and Bernstein's reporting on Watergate. - Astonishing court documents, secured through the efforts of Globe journalists, are reproduced in an appendix. - An essential, insightful, helpful text for the Church leaders, both lay and clergy, who have already begun charting a new course for the Catholic Church in America. - The hardcover edition of BETRAYAL is now in its fourth printing with more than 50,000 copies in print.

In 2002, the national spotlight fell on Boston's archdiocese, where decades of rampant sexual misconduct from priests—and the church's systematic cover-ups—were exposed by reporters from the Boston Globe. The sordid and tragic stories of abuse and secrecy led many to leave the church outright and others to rekindle their faith and deny any suggestions of institutional wrongdoing. But a number of Catholics vowed to find a middle ground between these two extremes: keeping their faith while simultaneously working to change the church for the better. Beyond Betrayal charts a nationwide identity shift through the story of one chapter of Voice of the Faithful (VOTF), an organization founded in the scandal's aftermath. VOTF had three goals: helping survivors of abuse; supporting priests who were either innocent or took risky public stands against the wrongdoers; and pursuing a broad set of structural changes in the church. Patricia Ewick and Marc W. Steinberg follow two years in the life of one of the longest-lived and most active chapters of VOTF, whose thwarted early efforts at ecclesiastical reform led them to realize that before they could change the Catholic Church, they had to change themselves. The shaping of their collective identity is at the heart of Beyond Betrayal, an ethnographic portrait of how one group reimagined their place within an institutional order and forged new ideas of faith in the wake of widespread distrust.

A team of reporters writing for "The Boston Globe" has amassed evidence that points to a long history of cover ups, hush money, and emotional blackmail used by the Catholic Church to hide sexual abuse within its ranks. Their investigation is the subject of this book.

In this "meticulously researched" account (New York Times Book Review), a Pulitzer Prize-winning author examines the dangers of a failing public health system unequipped to handle large-scale global risks like a coronavirus pandemic. The New York Times bestselling author of The Coming Plague, Laurie Garrett takes on perhaps the most crucial global issue of our time in this eye-opening book. She asks: is our collective health in a state of decline? If so, how dire is this crisis and has the public health system itself contributed to it? Using riveting detail and finely-honed storytelling, exploring outbreaks around the world, Garrett exposes the underbelly of the world's globalization to find out if it can still be assumed that government can and will protect the people's health, or if that trust has been irrevocably broken. "A frightening vision of the future and a deeply unsettling one . . . a sober, scary book that not only limns the dangers posed by emerging diseases but also raises serious questions about two centuries' worth of Enlightenment beliefs in science and technology and progress." -- Michiko Kakutani, The New York Times

Presents an account of sexual abuse of children by priests in the Catholic Church and how these crimes were covered-up by senior church officials.

THE INSTANT NATIONAL BESTSELLER Picking up where the New York Times bestselling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump’s leaving the White House—from ABC News’ chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump’s rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump’s downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.
