"Charming, warm and uplifting...there is so much to love about this book."—Laurie Frankel, New York Times bestselling author of *This is How It Always Is* A triumphant and touching debut about the unlikeliest superstar you'll ever meet. Twelve-year-old Norman Foreman and his best friend, Jax, are a legendary comedic duo in waiting, with a plan to take their act all the way to the Edinburgh Fringe. But when Jax dies, Norman decides the only fitting tribute is to perform at the festival himself. The problem is, Norman's not the funny one. Jax was. There's also another, far more colossal objective on Norman's new plan that his single mom, Sadie, wasn't ready for: he wants to find the father he's never known. Determined to put a smile back on her boy's face, Sadie resolves to face up to her own messy past, get Norman to the Fringe and help track down a man whose identity is a mystery, even to her. Julietta Henderson's delightfully funny and tender debut takes us on a road trip with a mother and son who will live in the reader's heart for a long time to come, and teaches us that—no matter the odds—we must always reach for the stars.

embraces the benefits of cannabis. Drawing upon his decades of experience as a teacher of Buddhism, breathing, yoga, and embodied spirituality, Will Johnson examines Eastern spiritual perspectives on marijuana and offers specific guidelines and exercises for integrating cannabis into spiritual practice. The author explains how the great Hindu god Shiva enjoyed consuming bhang, a marijuana mixture that would cause his body to make spontaneous movements. From these cannabis-inspired movements, Shiva brought the body-focused practices of dance and yoga to the world. Examining the spiritual path of Shiva, including the Sadhu tradition, Johnson provides specific instructions and protocols for using marijuana as a sacrament as Shiva did. He explores how to embrace cannabis for the practices of spontaneous movement, ecstatic dance, sitting meditation, and gazing meditation. He reveals how the ecstatic surrender to the feeling energies of the body in these practices is enhanced through the ingestion of Shiva's herb, allowing you to open the body's energies more fully and get closer to the Divine or your higher self. Exploring the Buddhist practices of calming the mind and grounding yourself in sensory awareness, Johnson shows that, while traditional Buddhist teachings forbid the use of intoxicating substances, Buddhists who use cannabis are not committing a cardinal sin--in following our dharma, we must embrace what best supports our spiritual practice. He

concludes with a new translation of the Five Moral Precepts of Buddhism--what he calls the Five Precepts of Embodied Responsibility--adapted to include energetic practices using breath, interaction with the energies of nature, sacred sex, and the judicious use of entheogenic substances, such as cannabis, as legitimate support for spiritual growth.
