Writing a book is hard. Marketing it can be even harder. Marketing a book in 2021 can seem like a full-time job, what with the crazy number of things authors seem to be expected to do: social media, blog tours, advertising, price promotions, mailing lists, giveaways, you name it. But here's a little secret: you don't need to do all those things to successfully set your book on the path to success. What you need is

a solid plan to find the one or two tactics that will work, and start to drive sales... in a minimum amount of time. And that's exactly what you'll find in this book. Instead of drowning you in information or inundating you with hundreds of different tactics and strategies that eventually prove fruitless, this book will guide you through a step-by-step framework to find the ones that actually work for you and your book, so that you can start marketing more efficiently. In particular, you'll learn: □ How to change your mindset and sell more books with less effort.; □ How to write books that guarantee a lasting, profitable career; □ How to get Amazon's Kindle Store to market your book
