'Post-black' refers to an emerging trend within black arts to find new and multiple expressions of blackness, unburdened by the social and cultural expectations of blackness of the past and moving beyond the conventional binary of black and white. Reflecting this multiplicity of perspectives, the plays in this collection explode the traditional ways of representing black families on the American stage, and create new means to consider the interplay of race, with questions of class, gender, and sexuality. They engage and critique current definitions of black and African-American identity, as well as previous limitations placed on what constitutes blackness and black theatre. Written by the emerging stars of American theatre such as Eisa Davis and Marcus Gardley, the plays explore themes as varied as family and individuality, alienation and gentrification, and reconciliation and belonging. They demonstrate a wide-range of formal and structural innovations for the American theatre, and reflect the important ways in which contemporary playwrights are expanding the American dramatic canon with new and diverse means of representation. Edited by two leading US scholars in black drama, Harry J. Elam Jr (Stanford) and Douglas A. Jones Jr (Princeton), this cutting edge anthology gathers together some of the most exciting new American plays, selected by a rigorous academic backbone and explored in depth by supporting critical material.

Including music by various gospel composers as well as hymns and spirituals made famous by Mahalia Jackson, this is a joyous celebration of the life and music of the world's greatest gospel singer: a humble, deeply religious woman whose expressive, full throated voice carried her from a three room shanty in New Orleans to appearances before presidents and royalty. The joy and inspiration of her heartfelt songs provide a counterpoint to the urgent messages delivered by her friend, Martin Luther King. Standing at his side, Mahalia Jackson became the musical voice of the civil rights movement. Mahalia uses simple staging, only three actors, and piano and organ accompaniments to showcase 22

great gospel numbers in a moving, often humorous musical tribute. "A first rate tour of the throbbing world of gospel music." Minneapolis Star Tribune. "Superb in every way." Christian Chronicle. "A rare joy, a balm for the spirit. This is not a night in the theatre but a soul cleansing experience. Don't miss it!" Sun Newspapers.

When Dolphins Ruled the Earth is a satirical fantasy, following the plight of Adam Barnard as he journeys from a successful business executive to a genuine human being. Adam encounters a strange nurse, a curious Scottish salmon, and dolphins with arms and legs, who speak perfectly good English. The Dolphins tell him they once ruled the Earth; they had jobs, houses, cars, Governments, banks, supermarkets and incredibly some dolphins were even estate agents! Adam, along with Professor Van Halen and a Dolphin called Zinc must find secret scrolls, which reveal how to fight against global greed and defeat man sharks; before the entire planet is engulfed in total confusion. When Dolphins ruled the Earth is complete, coherent and well written, it is often very funny, and the story simple and compelling. I enjoyed it very much. Simon Maginn - Writer of the Sheep, filmed as The Dark, starring Sean Bean.
