This book is bible for beginning radio professionals: the complete, definitive guide to the internal workings of radio stations and the radio industry. Not only will you begin understand how each job at a radio station is best performed, you will learn how it meshes with those of the rest of the radio station staff. If you are uncertain of your career goals, this book provides a solid foundation in who does what, when, and why. The Radio Station details all departments within a radio station. Topics explained include satellite radio, Web radio, AM stereo, cable and podcasting. Also, mergers and consolidation, future prospects, new digital technologies. This edition is loaded with new illustrations, feature boxes and quotes from industry pros, bringing it all together for the reader. Going strong after 20 years The Radio Station is now in its eighth edition and long considered the standard work on this audio medium. It remains a concise and candid guide to the internal workings of radio stations and the radio industry, explaining the functions performed successfully within every well-run station.

The reissue of Yochanan Muffs' classic study of the legal formulary of the Elephantine papyri of 5th century B.C.E. Egypt comes in response to renewed interest in the Aramaic legal tradition stimulated by new discoveries from later periods. Its cross-cultural approach affords scholars an insight into the history of ancient Near Eastern law in the Achaemenid period.

Analysts, policymakers, scholars, and general readers need to understand the world's response to Yugoslavia's bloody collapse to build effective policies and prevent future wars in the Balkans. At a time when the failure of cooperation among Western powers shatters faith in the UN, NATO, and the EC to deal with such crises, this book's accessible, balanced perspective provides essential guidance.

Several hundred A-Z entries cover Achebe's major works, important characters and settings, key concepts and issues, and more.

"Business Law for Managers 4th edition is a concise and focussed examination of the issues which need to be covered in an undergraduate business law unit. This edition incorporates 'Concise Australian Commercial Law (ACCL)', an abridged version of Turner and Trone's 'Australian Commercial Law 31st edition (ACL)' compiled by Roger Gamble of Monash University. In addition, Ben French has included two chapters: Employment Law, and Anti-discrimination Law and Equal Employment Opportunity Law, thereby ensuring the work meets the specific requirements of the business law unit at Griffith University ... Case summaries throughout the text help to illustrate key principles of particular interest to readers. Students undertaking business law studies will no doubt find this text a comprehensive and valuable resource ..."—Back cover.
