offering insight from three producers of portal software systems in use at institutions of higher learning and elsewhere.

A Simple Mindset Tweak Will Change Your Life. After a fifteen-year nightmare operating a stagnant service business, Sam Carpenter developed a down-to-earth methodology that knocked his routine eighty-hour workweek down to a single hour—while multiplying his bottom-line income more than twenty-fold. In *Work the System*, Carpenter reveals a profound insight and the exact uncomplicated, mechanical steps he took to turn his business and life around without turning it upside down. Once you “get” this new vision,

Success and serenity will come quickly. You will learn to:

- Make a simple perception adjustment that will change your life forever.
- See your world as a logical collection of linear systems that you can control.
- Manage the systems that produce results in your business and your life.
- Stop fire-killing. Become a fire-control specialist!
- Maximize profit, create client loyalty, and develop enthusiastic employees who respect you.
- Identify insidious “errors of omission.”
- Maximize your biological and mechanical “prime time” so that you are working at optimum efficiency.
- Design the life you want—and then, in the real world, quickly create it! You can keep doing what you have always
