This book is about investing in sub \$30k properties (under \$30,000) and becoming a wealthy real estate investor enjoying the profits now, rather than later ... with only 2-5 properties instead of hundreds or overly priced properties. This book on investing in rental properties for beginners is the foundation of what I've built 47,000 person social media platform on - helping the average person get involved in rental properties on an average income, and building the cash flow of their dreams with 2-5

properties. That's it. This will teach you (the ordinary investor) how to tailor your investment strategy to your pocketbooks (and no one else's). You don't need to ask your parents or friends for loans because the best approach to building a rental portfolio is by purchasing units in modest neighborhoods that offer really high rents (i.e. purchase a \$44,000 rental that earns \$1200 a month in rents). If being a real estate investor is your dream and being a landlord is not, this is the book for you! The author will personally take you through the steps she's used on over 560 people to build their dream income and lifestyle.

Facing a volatile stock market, many people have turned to real estate as a way to invest their hard-earned money. While many investors opt to buy property and then sell it quickly, other investors choose to hold onto their property for a longer period of time to realize a greater return on their investment. Real estate experts Scott Frank and Andy Heller have developed a proven and diversified program for real estate investing that incorporates both approaches and enables investors to take control of their financial futures and build wealth over time. Their new book, *Buy Low, Rent Smart, Sell High: Real Estate Investing for the Long Run* outlines a win-win-win program, one where average people can reap significant financial rewards by investing in real estate. \* Win One: Buying Low - The investors first win occurs by purchasing real estate at a 10-20 percent discount by seeking out motivated buyers and avoiding paying agent commissions. The book reveals the secret to buying foreclosed homes with clean titles from banks and mortgage companies. \* Win Two:

## Read PDF Buy Low Rent High How Anyone Can Be Financially Free In The Next 12 Months By Investing In Property

Renting Smart - The property is rented through a lease/purchase agreement. Not only does the investor get a down payment from the lease/purchasee, but he or she also receives monthly rent that usually exceeds the monthly mortgage payment. Also, the lease/purchasee takes on the maintenance and repair responsibilities and tends to be a better tenant in return for their special lease/purchase terms. In addition, as the owner of the property, the investor is able to receive tax write-offs. \*

Win Three: Selling High - The final win results when the lease/purchasee exercises his or her right to purchase the property. The owner has realized the benefits of owning the property and has sold it to the lease/purchasee without agent commissions. If the lease/purchasee decides not to exercise his or right, the investor still wins because he or she can either extend the lease purchase agreement and increase the purchase price (based on property appreciation) or enter into another lease/purchase agreement with a new tenant and begin the cycle of wins all over.

The time has never been better for investing in real estate, and this book arms the millions of investors who are returning to real estate as an established instrument of wealth creation with surefire strategies for making a killing in the real estate market. Due to the pent-up demand for housing caused by the lull in housing starts during the 90s, as many as 11 million would-be American home-owners are currently vying for a rapidly dwindling pool of available properties. In Buy, Rent, and Sell Bob Irwin, one of America ' s most well-known and respected real estate author/experts, provides nuts-and-bolts advice and guidance on how to find good investment properties, how

On the surface, being a landlord seems pretty simple-you buy property, find renters, and the money rolls in. However, as all too many people have found out, it takes an incredible amount of know-how and hard work in order to be successful at it. *Idiot's Guides: Making Money with Rental Properties* is written by experts who have made the mistakes, learned the lessons, and have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul. Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. In addition, readers will learn what to do when things go wrong, what legal protections they (as well as the tenants) have, and how to do it all without going broke and losing their minds in the process.

## Read PDF Buy Low Rent High How Anyone Can Be Financially Free In The Next 12 Months By Investing In Property

From prominent political thinker and widely followed Slate columnist, a polemic on high rents and housing costs—and how these costs are hollowing out communities, thwarting economic development, and rendering personal success and fulfillment increasingly difficult to achieve. Rent is an issue that affects nearly everyone. High rent is a problem for all of us, extending beyond personal financial strain. High rent drags on our country ' s overall rate of economic growth, damages the environment, and promotes long commutes, traffic jams, misery, and smog. Yet instead of a serious focus on the issue, America ' s cities feature niche conversations about the availability of “ affordable housing ” for poor people. Yglesias ' s book changes the conversation for the first time, presenting newfound context for the issue and real-time, practical solutions for the problem.

Updated edition of Buy it, rent it, profit!, 2009.

Are you feeling tired of being stuck in the rat race? Are you looking to make passive income and escape the 9-to-5 grind? Do you want to live a more fulfilling life and do more of what matters?
