covers concepts at an elementary level,
deemphasizing statistics and formulas.
Sensitive to the needs of today's
undergraduates, Malhotra integrates
online and social media content, and
provides current, contemporary examples
that ground course material in the real
world. This text provides a better teaching
and learning experience – for you and
your students. It will help you to:

- Give students a framework for understanding: A clear framework helps students grasp marketing research principles, as well as the relationship between marketing research and management.
- Emphasize practical applications: A do-it-yourself approach and detailed real-world cases let students see how marketing research is

actually conducted. • Foster interest through contemporary content: Current examples and an emphasis on online market research and social media helps students understand the relevance of course material. • Enable student success via learning aids: Various tools, throughout the text and at the end of each chapter, support students as they learn and review.

Working as a marketing researcher is an intellectually stimulating, engaging and creative occupation. Malhotra and Birks have long been regarded as offering the most applied, comprehensive and authoritative commentary on European Marketing Research, helping students to build a clear understanding of how to: * diagnose and direct research questions that

marketing research, this book fills the need for a marketing research text that presents concepts simply, illustrates them vividly, and applies them in real life marketing situations.

While there are numerous textbooks available on marketing research, none consider the topic from an Arab perspective. Until now. The adapting authors have created a series of practical examples and case studies from the Arab region to complement the global perspective of the original edition. The book contains coverage of Arab-specific environmental factors that affect the conduct of marketing research in the region, including legal, political, economic, cultural, and social--back cover.
