I have one simple rule: no sexual contact. Yeah, I'm a male escort, but that doesn't mean my body's for sale. I provide companionship to women who can afford it and understand my rule. It's simple really. I need to be in control, not my body. Someone already screwed me once when I lost control, and not in the good way. So, no sexual contact. Sure, I'll kiss them, and I'll even give them a little strip tease if they don't mind seeing the scars from my **SEAL** days, but nothing more. Damn. At least that's the way it's supposed to be. The way it was. Until her. Until **Serena**. The little socialite gets under my skin and is hot as sin. I was just supposed to be her arm candy for a few events, but I can't help it. I want more. I want her. And I want to break my one simple rule.
