Use this study guide to prepare for the Certified Associate in Project Management (CAPM) exam, based on PMBOK's sixth edition, administered by the Project Management Institute (PMI). The revised and updated second edition of the best-selling CAPM in Depth has a laser-sharp focus on the exam objectives for project managers and others who want to pass the CAPM exam. No prior knowledge of project management is assumed. The chapters and the sections within each chapter are presented in a logical learning sequence. The concepts and

topics, both simple and complex, are clearly explained when they appear for the first time. This facilitates step-wise learning, prevents confusion, and makes this book useful for those who want to get up to speed quickly to pass the CAPM exam, even if you are new to the discipline of project management. This book tells the story of project management in a cohesive, concise, yet comprehensive fashion. Unlike most CAPM exam books, this book is not just an exam-cram book. It is an easy-to-understand guide that is a valuable reference both before and after the exam. What You'll Learn Understand the body of knowledge required to earn the Certified Associate in Project Management (CAPM) certification Acquire the knowledge needed to successfully manage projects in any field Who This Book Is For Project management practitioners preparing for the CAPM exam, entry-level project managers and project team members preparing for the CAPM exam, beginners who want to join the field of project management and get up to speed quickly, project managers who need a quick and easy reference to the discipline of project management, instructors and trainers who need a textbook for a course on project management

This is the Eleventh Edition of the student workbook that accompanies the best selling "bible" of project management. The workbook contains additional problems and exercises to reinforce the concepts presented in the main text. It also serves as a self-study guide for the Project Management Professional (PMP®) certification exam to be based on PMI®'s PMBOK® Guide, 5E. Both as accompanying supplement to Kerzner's text and as standalone self-study guide, this workbook gives students key insights from the acknowledged world leader in project management. (PMI, PMBOK, CAPM, PMP, and Project Management Professional are registered marks of the Project Management Institute, Inc.)

Business & Economics/Project Management When you're studying for the PMP®/CAPM® exam, the most important thing to manage is your time This practical guide will help you study for the Project Management Professional (PMP® )/Certified Associate in Project Management (CAPM® ) Certification Exam more efficiently and productively. It is aligned with and references PMI's Project Management Body of Knowledge, Third Edition (PMBOK ® Guide). Unlike other review materials that are organized according to knowledge areas and cover the forty-four processes almost equally, this guide divides materials into process groups or domains and weights your review materials the way PMP®/CAPM® weights the exam. For example, approximately 11% of the exam questions will be on the Initiation Phase, so approximately 11% of the review materials in this book covers the Initiation Phase. The guide flows like projects flow. There are six sections: Initiation Phase Planning Phase Execution Phase Monitor and Control Phase Closing Phase Professional Responsibility This is not an unabridged "everything you ever need to know about project management" guide. It focuses exclusively on information you need to know to pass the exam and features: A total of 175 pre-review questions and 175 post-review questions, along with complete answers and explanations The facts, presented clearly and concisely with no frills, no fine print, and no digression Terms, definitions, formulas, charts, diagrams, and lists that help you retain the information and pass the test Advice on how to study and how to take the actual exam, plus a comprehensive index, so it's easy to find information you want to review

CAPM Exam Prep Seminar Participant Workbook. This workbook is used in conjunction with our online CAPM Exam Prep course.

This book is written by a PMI Education Provider: This book has passed a quality audit and a business review, and it completely abides by the PMI REP program.
