The first edition of this book (1-884089-17-8) has been a consistent best seller. This revised edition contains the latest car audio and electronic components, with detailed information on how to install and tune a car audio system.

Acces PDF Car Stereo Buying Guide

Installing or upgrading highquality car stereo systems is a top priority for all types of car enthusiasts--from 20-year-old sport compact owners to 50-year-old classic car restorers.

The first edition of this book was written six years ago. Since then, there have been

Acces PDF Car Stereo Buying Guide

some significant developments in the area of car audio (and video). In addition, many of the products featured in the first edition are now obsolete. While the first edition of the book continues to sell, we have seen a bit of a slow-down at major accounts. This edition promises to be even more successful than the last. Car Stereo
