Celestial Marked Series by Emma L. Adams

This is the second book in the Celestial Marked series—one that should be read in order—and it's just if not more exciting than the first. Devi's life is still turned upside down from her last adventure, and she has not yet come to terms with being a member of the warlocks, being out of the celestial guild or even her handling her own double marks, one demon and the other celestial.

The first in an intended 3 book series, "Celestial Magic" features an interesting leading lady. In fact, I think that Devi is my favourite heroine I've come across by ELA. Marked by a Divinity when she was nearly killed in a car crash at 16, Devi has worked as a Celestial soldier for 10 years.

The stakes are higher than ever for Devi Lawson. Former celestial soldier Devi Lawson is now working for the warlocks, but the fragile peace between the celestials and the preternaturally gifted rests on a knife's edge. When a mysterious demonic virus sweeps across the city, turning vampires and celestials alike into bloodthirsty killers, it's up to Devi to work with the enigmatic and dangerous warlock Nikolas to discover the cause before the city is overrun. But with power forces shifting in the demonic realms and the shadows of old enemies pursuing them, it becomes clear that everyone is keeping secrets, none more so than Nikolas himself. To survive and protect those she cares about, Devi must embrace her terrifying new demonic powers, at the risk of losing her soul to the netherworld...

Devi Lawson has a talent for breaking the rules. It's second only to her skill at hunting down demons -- too bad the angelic guild of celestial soldiers didn't appreciate her efforts. In fact, they kicked her out. And now she's being accused of murdering one of their own. To clear her name, she must work hand in hand with the demons she used to hunt, including the enigmatic warlock Nikolas Castor. Not only is his magic entirely too close to the killer she's pursuing, but he seems to think Devi is marked by a demon, too. Before long, Devi is neck-deep in trouble. Distrusted by her former allies and in serious danger of the real reason she left the guild making it into the light, Devi must catch the killer before he unleashes a literal hell on Earth.

The only option: A one-way trip past the Veil... The new Weaver Council organize a massive Weaver hunt for Professor Hadrian and his malformed ship. It starts off well... until Professor Hadrian's ship changes direction. It heads straight into a place no one dares to follow. All except Kelsey Hale's Weaver team. They follow past the barrier of the Veil, even while knowing it will ultimately mean their deaths. Beyond lay the Nief-Pirae, the ravenous creatures behind the "When the Skies Fell" event. Time to stop Professor Hadrian once and for all. While keeping the Veil intact. While keeping the Nief-Pirae contained. While not losing sight of what it means to be a Weaver. Join Kelsey Hale in a coming of age science fiction adventure across alternate universes and encounters with alien planets, species and societies. Thrust into a dangerous journey to places she could have never imagined, she is determined to discover the truth of her mysterious past. A truth that will change her life forever. Titles in "The String Weaver" Series The String Weavers The Phoenix Eggs The Dark Phoenix The Dividers The Tower of Egnos When the Skies Fell Celestial Fire

A reckoning is coming for Devi Lawson... Settling into her new role as the first celestial with demon magic, Devi faces an unwelcome surprise when the shadow arch-demon abruptly returns to the nether realms. The forces of hell are moving, and they don't want a human running around with their power. The problem is, it's getting a bit much for Devi, too. When dead warlocks start showing up with the celestials' mark on their bodies, tensions between the celestials and demons reach a tipping point. Devi's relationship with the arch-demon's son, Nikolas, is just fuel on the fire. The arch-demons are gearing up for an epic showdown. And this time, humanity might not survive it...

The netherworld is far from done with Devi Lawson... Now the celestials are set on eradicating anyone who carries the demonic virus, Devi finds herself a fugitive. Joining with the demons is the easy way out, but that would mean giving up her home to the denizens of the infernal realms. With everyone in the netherworld queuing to stake a claim on her, she's not all that keen on handing Earth over to them, too. But now her demon mark is taking on a life of its own, she might not have a choice in the matter. The shadow of war descends, and Devi must find a way to protect the people she loves, without losing her humanity in the process...

Do you enjoy a good mystery? When you see something amazing happen do you ever wish you could look past the surface event to the real reason for its occurrence? Does it ever bother you when the reason something is a success, or a failure is kept from you? What fun is it to never get in on the mystery of how to have peace and joy? To never be told how to supercharge your life? To never understand or experience the behind-the-scenes action. Celestial Fire: 365 Days with the Spirit answers those questions. The book explains many mysteries, answers a multitude of questions, and shows how to live an empowered life. Gibson does not shy away from the hot explosive texts over which scholars and theologians have wrangled since the beginning. Rather, he opens these Bible verses with care and explains their meaning for believers today. In so doing, many mysteries will be resolved, and the truth will be revealed. The reader will experience the following benefits: • An enriching time of connectedness with God each day. • Knowledge of every Biblical reference concerning the Spirit • A deeper walk with the Lord • An energized, faith building Christian life • A map on how to access the Father's presence. • Instruction on how to walk and worship in the Spirit • Teaching on how to bring heaven's atmosphere to earth's troubles The cumulative effect of studying every Spirit reference from Genesis to Revelation is powerful. Each citation comes with a suggested Biblical reading, an explanation of the verse, and an application to daily life. A wide range of subjects—from the arts to the anointing—takes the reader to places they would not otherwise travel. These daily inspirations will increase a person's knowledge and understanding of the Third Person of the Trinity and deepen their walk with Christ. This potent treatise will resonate with everyone serious about living a dynamic life transformed by heaven's fire. Not only will these inspirational insights energize but they will also impact one's life. The Holy Spirit is still the rushing mighty wind and the fire from above causing wondrous things to happen in our world today. Discover the real power behind Christianity and the explosive growth of the Church around the world. The Third Person of the Godhead so long neglected is now celebrated—each devotion features a particular aspect of the person and work of the Spirit. This devotional goes far beyond developing the reader's spiritual life—it examines, exegetes, and interprets 365 Biblical references and applies them to today. These informative bursts of inspiration are indispensable for small group Bible studies, ministry preparation, and even sermon material. Celestial Fire: 365 Days with the Holy Spirit is a must read for anyone interested in learning more about the Holy Spirit. The work is a virtual course in Pneumatology. Get ready to embark on a yearlong life-changing journey and enjoy an enriching time with God every day. Now, scroll to the top of this page, buy the book, and start immediately.

In ninety-two days, the feathered appendages that link me to the people I loathe finally come off. Dear, winglets, you will not be missed. Celeste has spent the last four years building a life outside of angelic guilds-parties, check-pursuing human ambitions instead of celestial ones-college, check-and shedding feathers across Parisian cobblestones and more recently New York sidewalks-speaking her mind, always check. She swore off angels, but the death of the woman who took her in the night Leigh died brings them soaring back into her life . . . and not just any angel but the most detestable one, the one complicit in Leigh's death-Seraph Asher. Although Celeste tells the archangel to feather off, the unreasonably pretty and obstinate man doesn't leave her alone. He returns and insists she complete her wings. When she asks him for one good reason to do so, he gives her an unbeatable one: what he did with Leigh's soul. Asher never meant to share his damning secret, but he knows it's the only way to save Celeste-the rebellious Fletching he can't get out of his head . . . or heart.

Completed in 1173, The Book of Divine Works (Liber Divinorum Operum) is the culmination of the Visionary's Doctor's theological project, offered here for the first time in a complete and scholarly English translation. The first part explores the intricate physical and spiritual relationships between the cosmos and the human person, with the famous image of the universal Man standing astride the cosmic spheres. The second part examines the rewards for virtue and the punishments for vice, mapped onto a geography of purgatory, hellmouth, and the road to the heavenly city. At the end of each Hildegard writes extensive commentaries on the Prologue to John's Gospel (Part 1) and the first chapter of Genesis (Part 2)—the only premodern woman to have done so. Finally, the third part tells the history of salvation, imagined as the City of God standing next to the mountain of God's foreknowledge, with Divine Love reigning over all.

One kingdom. One crown. One family. "Maybe it's time the great House of Rey came to an end. After all, what are we now? Just a house of rage and sorrow." Esmæ once wanted nothing more than to help her golden brother win the crown of Kali but that dream died with her best friend. Alexi broke her heart, and she vowed to destroy him for it. And with her sentient warship Titania beside her, how can she possibly fail? As gods, beasts, and kingdoms choose sides, Alexi seeks out a weapon more devastating than even Titania. Past lives threaten the present. Old enemies claim their due. And Esmæ cannot outrun the ghosts and the questions that haunt her. What really happened to her father? What was the third boon her mother asked of Amba? For in the shadows, lurking in wait, are secrets that will swallow her whole. The House of Rey is at war. And the entire galaxy will bleed before the end.
