Chanakya Neeti clearly shows the biased nature of society. I don't agree with many of his points regarding women, lower castes, kings etc. Chanakya was clearly a wise man born in a strongly patriarchal time which influenced his views towards women. But the times have changed now and hence many of his preachings cannot be considered wise today.

One of the greatest figures of wisdom and knowledge in the Indian history is Chanakya. Chanakya is regarded as a great thinker and diplomat in India who is traditionally identified as Kautilya or Vishnu Gupta. Originally a professor of economics and political science at the ancient Takshashila University, Chanakya managed the first Maurya Emperor Chandragupta's rise to power at a young age. Instead of acquiring the seat of kingdom for himself, he crowned Chandragupta Maurya as the emperor and served as his chief advisor. Chanakya Neeti is a treatise on the ideal way of life, and shows Chanakya's deep study of the Indian way of life. These practical and powerful strategies provide a path to live an orderly and planned life. If these strategies are followed in any sphere of life, victory is certain. Chanakya also developed Neeti-Sutras (aphorisms ? pithy sentences) that tell people how they should behave. Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. But these sutras are also relevant in this modern age and are very useful for us. For the first time, Chanakya Neeti and Chanakya Sutras are compiled in this book to make Chanakya's invaluable wisdom easily available to the common readers. This book presents Chanakya's powerful strategies and principles in a very lucid manner for the benefit of our valuable readers.

Strategies for Success “An action contemplated shouldn’t ever be advertised; But kept a secret like a mantra, and revealed in time.” We all feel stuck at times. There could be many reasons for this—issues at work, unhappy family life, financial troubles or embarrassing social situations. Most of us could use a little advice in these circumstances. Chanakya Neeti provides precisely that guidance to face life’s many daunting challenges. Chanakya, the great thinker and teacher, is wellknown for his insights into the needs of both the privileged and the masses. Chanakya Niti Shastra" is written by "Aacharya (teacher) Chanakya". He solved all problems and troubles, which we face in our daily life, does not matter in which field we are working (or belongs to). He gave many quotes and verses to solve our difficult situations of our life. If someone is in a difficult situation and there is no way to get out of it, then through this book, he can end his troubles and get out of the troubles by solving them. You must read a lot of books of different subjects in your school, but you never read single such books which would give you the knowledge of the main subject "Life and Carrier", which can correctly guide you to live life. You will not have read a single book in your school that can guide you that after completing your education, how you should start your life, how to live, how to solve your problems, etc.But Aacharya (teacher) Chanakya has encoded all the experiences of his life in this book and has put it before us so that we can live our life well without much experiences and can face each and every situation and can turn our life in the right direction. He written this book in Sanskrit Language but I translated this in your language, so that you can also read and get benefit from it.Chanakya (c. 350-275 BCE) was an ancient Indian statesman, teacher, philosopher, economist, jurist and royal advisor of the Emperor Chandragupta Maurya. He is traditionally identified as Kautilya or Vishnugupta, who authored the ancient Indian political treatise, the Arthashastra, a text dated to roughly between the 2nd century BCE and the 3rd century CE. Kautilya was born into a Brahmin family. He was originally from Northern India and was a professor of political science and economics at the Taxila University. He had complete knowledge of Vedas. Chanakya is considered as the pioneer of the field of political science and economics in India, and his work is thought of as an important precursor to classical economics. His works were lost near the end of the Gupta Empire and not rediscovered until the early twentieth century. Arthashastra (Plutonomy) and Neetishastra (Ethics or Policies) his two books cover variety of subjects starting with ethics to economics, politics to philosophy, sex to scholastic. On reading his work there is no doubt that he was visionary and his theories of administration are the best. He was responsible for the overthrow of the last ruler of Nanda dynasty at the start of Maurya dynasty. He played very important part in the establishment, growth and preservation of Maurya empire. He was teacher and mentor to the first Maurya emperor Chandragupta Maurya, who was a ordinary man like us. Chanakya was man of great tactics, who made great contributions and was instrumental in changing the course of Indian history forever. It is said that Chanakya had been personally offended by King Nanda and he had vowed to keep his long "Shikha" (Lock of hair) open till the destruction of king Nanda and the drunken princes. Chanakya helped Chandragupta in raising a large army and defeating King Nanda there by fulfilling his vow. Chanakya proved that intelligence is the most powerful weapon because he ruined the already established Kingdom of King Nanda only by his intellectual strength. He even defeated Alexander by his wisdom and policies. Chanakya functioned as Chandragupta's counselor and advised him in all matters related with state and administration. He was a great thinker and diplomat. His intellectual genius commanded great adulation and respect during his time and subsequent years. He was a great strategist of his time, and also considered as ruthless manipulator who was determined to achieve his goals by using four fold policy of Conciliation, Donation, Punishment

and Division ( कौटिल्य, विशु गूत कौतिल्य). His works of wisdom are more than 2000 years old, but still his teachings are relevant and useful in today's world.
