~~Chronicles the rise and eventual fall of Nazi Germany during World War II.~~

~~'MEIN KAMPF' is the autobiography of Adolf Hitler gives detailed insight into the mission and vision of Adolf Hitler that shook the world. This book is the merger of two volumes. The first volume of MEIN KAMPF' was written while the author was imprisoned in a Bavarian fortress. The book deals with events which brought the author into this blight. It was the hour of Germany's deepest humiliation, when Napoleon has dismembered the old German Empire and French soldiers occupied almost the whole of Germony. The books narrates how Hitler was arrested with several of his comrades and imprisoned in the fortress of Landsberg on the river Lech. During this period only the author wrote the first volume of MEIN KAMPF. The Second volume of MEIN KAMPF was written after release of Hitler from prison and it was published after the French had left the Ruhr, the tramp of the invading armies still echoed in German ears and the terrible ravages had plunged the country into a state of social and economic Chaos. The beauty of the book is, MEIN KAMPF is an historical document which bears the imprint of its own time. Moreover, Hitler has declared that his acts and 'public statements' constitute a partial revision of his book and are to be taken as such. Also, the author has translated Hitler's ideal, the Volkischer Staat, as the People's State. The author has tried his best making German Vocabulary easy to understand. You will never be satisfied until go through the whole book. A must read book, which is one of the most widely circulated and read books worldwide.~~

~~Victor Breitburg is a survivor of the L\u00f3dz Ghetto, Auschwitz, Buchenwald, Rhemsdorf and Theresienstadt concentration camps. He was liberated with a group known as "The Boys". Their experiences have been documented in Sir Martin Gilbert's book, The Boys: Triumph Over Adversity. Victor's journey from L\u00f3dz, to the camps in Europe, to England, Scotland and the United States and his new life in America is the story told in this volume.~~

~~By early 1945, the destruction of the German Nazi State seems certain. The Allied forces, led by American generals George S. Patton and Dwight D. Eisenhower, are gaining control of Europe, leaving German leaders scrambling. Facing defeat, Adolf Hitler flees to a secret bunker with his new wife, Eva Braun, and his beloved dog, Blondi. It is there that all three would meet their end, thus ending the Third Reich and one of the darkest chapters of history. Hitler's Last Days is a gripping account of the death of one of the most reviled villains of the 20th century—a man whose regime of murder and terror haunts the world even today. Adapted from Bill O'Reilly's historical thriller Killing Patton, this book will have young readers—and grown-ups too—hooked on history. This thoroughly-researched and documented book can be worked into multiple aspects of the common core curriculum.~~

~~Adopted by the State of Arkansas for 2008 Once again, the State of Arkansas has adopted An Arkansas History for Young People as an official textbook for middle-level and/or junior-high-school Arkansas-history classes. This fourth edition incorporates new research done after extensive consultations with middle-level and junior-high teachers from across the state, curriculum coordinators, literacy coaches, university professors, and students themselves. It includes a multitude of new features and is now full color throughout. This edition has been completely redesigned and now features a modern format and new graphics suitable for many levels of student readers. The completely revised fourth edition includes new unit, chapter, and section divisions as well as five brand-new chapters: an introductory chapter with information on the symbols, flag, and songs of Arkansas; chapter 2, which covers the geography of Arkansas; chapter 3, on state and local government; chapter four, on economics and tourism; and a "modern" chapter on the Arkansas of today and the future, which completes the learning adventure. This edition also has two "special features": one on the Central High School crisis of 1957 and another on the William J. Clinton Presidential Library. It also has new and interesting features for students like the "Guide to Reading" (at the beginning of each chapter, there is a list of important terms, people, places and events for the student to keep in mind as he or she reads (corresponding to blue vocabulary words in the text, which are define in the margin)), "County Quest," "I Am an Arkansan," "Did You Know?" "Only in Arkansas," "A Day in the Life," "Chapter Reflection" questions and activities, over forty-five new content maps, and a comprehensive new map atlas.~~

~~There have been many remarkable women who served British Intelligence during the Second World War. One whose dubious claim to have worked for them is a fascinating tale involving three marriages - the first, to a spurious White Russian prince; the second to a playboy-turned-criminal involved in a major jewellery robbery in the heart of London's Mayfair in the late 1930s. After the war she became romantically involved with a well-known British Fascist, but finally married another notorious criminal whom she had met earlier during the war. The descriptions variously ascribed to her ranged from 'remarkable' and 'quite ravishing' to 'La woman whose loose living would make her an object of shame on any farm-yard'. Until now, very little has been recorded about Stella Lonsdale's life. She doesn't even merit a mention in the two official histories of MI5, even though she managed to tie them up in knots for years. This book will explore the role this strange woman may or may not have played in working for British Intelligence, the French Deuxième Bureau, or the Abwehr - German military intelligence - during the Second World War, using her MI5 files as a primary source.~~

~~At the end of World War II, Andrew Tully was one of three Americans allowed to enter Berlin as a guest of a Russian artillery battalion commander. He spent the next seventeen years gathering eye-witness accounts, collecting war diaries and letters, and reading over one hundred books in order to write this gripping and comprehensive account about the fall of Berlin.~~

~~Now for the first time, the complete expose of the most daring and successful forgery of all time. For seven days in April 1983, the sensational discovery of Hitler's sixty-two volumes of secret diaries dominated the news headlines of the world. Scholars hailed the diaries as the greatest find of the century, a historical bonanza that would entirely alter our views of Hitler and the Third Reich. Shocked readers followed daily installments showing that Hitler knew nothing about the Holocaust. Then, in an abrupt reversal, the diaries were proved to be bogus!~~

~~"A detailed and moving picture of how the Habsburgs suffered under the Nazi regime...scrupulously sourced, well-written, and accessible."—Publishers Weekly (starred review) It was during five youthful years in Vienna that Adolf Hitler's obsession with the Habsburg Imperial family became the catalyst for his vendetta against a vanished empire, a dead archduke, and his royal orphans. That hatred drove Hitler's rise to power and led directly to the tragedy of the Second World War and the Holocaust. The royal orphans of Archduke Franz Ferdinand—offspring of an upstairs-downstairs marriage that scandalized the tradition-bound Habsburg Empire—came to personify to Adolf Hitler, and others, all that was wrong about modernity, the twentieth century, and the Habsburgs' multi-ethnic, multi-cultural Austro-Hungarian Empire. They were outsiders in the greatest family of royal insiders in Europe, which put them on a collision course with Adolf Hitler. As he rose to power Hitler's hatred toward the Habsburgs and their diverse empire fixated on Franz Ferdinand's sons, who became outspoken critics and opponents of the Nazi party and its racist ideology. When Germany seized Austria in 1938, they were the first two Austrians arrested by the Gestapo, deported to Germany, and sent to Dachau. Within hours they went from palace to prison. The women in the family, including the Archduke's only daughter, Princess Sophie Hohenberg, declared their own war on Hitler. Their tenacity and personal courage in the face of betrayal, treachery, torture, and starvation sustained the family during the war and in the traumatic years that followed. Through a decade of research and interviews with the descendants of the Habsburgs, scholar James Longo explores the roots of Hitler's determination to destroy the family of the dead Archduke—and uncovers the family members' courageous fight against the F\u00fchrer.~~
