mother for warmth to venturing outside their den for the first time, the lives of baby otters are captured as they eat, rest, play and eventually learn how to swim in the icy waters. Original.

Deep in the swamp, a baby alligator crawls out of its broken shell. What's in store for this little reptile? Follow it through its first adventures, and get a glimpse into the world of these amazing creatures. The easy-to-read text describes how alligators live, from what they eat to how they swim so quickly. You'll also find fun facts
