Ride & Handling. On the road the C5 sits on an optional hydro pneumatic suspensions system, which is where Citroen got its good name for suspensions. This can be bouncy on uneven surfaces and it can allow you to feel roll on some bends. The basic system is actually pretty good, and it would be our choice.

Citroen C5 Aircross PHEV. Price: £ 35,380 - £ 36,885 . Citroen's family-sized plug-in hybrid might look like an SUV, but really it's more of a butch-looking family car. That makes it more efficient and better to drive though, unless you really need to go off road. Watch Tom's video review here. Battery size: 13.2 kWh; Miles per £ : 15.7

A new, comprehensive guide to motoring and transport museums offering a fresh conversation on their role and the portrayal of our motoring history. Written by a long-established motoring writer with wide experience of driving and the fetting of old cars all over the world. This new motor museum companion includes: British motoring and transport museums guide via descriptions and photographs. 90 British museums described. Comprehensive world motor museum listing: over 350 global museums cited. Out-takes from visits to selected overseas museums. Provides a glossary of old-car/motorcycle terms and types to assist the museum visitor and old car enthusiast. Discusses the museum culture and its new age. Visits to many museums by the author were self-funded: he paid his own way.

An atlas of Surrey, giving comprehensive and detailed coverage of the region. The mapping is produced by the Ordnance Survey to Philip's specification and gives the user complete coverage of all urban and rural areas. The mapping is at a standard scale of 3.5 inches to one mile and is complete with postcode boundaries.
