Fellowship. The word gets used a lot in church. But too often our understanding and practice of fellowship are shallow and stripped of the life-giving, life-transforming power God intended community to have. "Everyone knows what it feels like to be lost. But for many people, being lost is a way of life. Sharing Christ Together teaches students how to give lost people directions. Six sessions give kids the tools they need to talk about Jesus with their friends, family, and the world:

- The Father's Heart: How do I make evangelism a passionate extension of my relationship with God?
- Christ in Flesh and Blood: When it comes to evangelism, what does it mean to be the body of Christ?
- Sowing Seeds: How did Jesus actually spread the good news?
- Who Is My Neighbor? How and why is it important to share Jesus with people who are from different cultures?
- Teaming Up: Why did Jesus say to go out in pairs? What does that have to do with how I talk to people about Jesus?
- Up a Tree: What do I do when I encounter people who make me uncomfortable?

Sharing Christ Together will fill your student's hearts with Jesus and allow them to share the love they've experienced with those who need a savior. "
