The Crucible Act 1 Quotes In this section, I'll go over a few quotes that I think are important in establishing the themes and characterizations that emerge in Act 1. "I have fought here three long years to bend these stiff-necked people to me, and now, just now when some good respect is rising for me in the parish, you compromise my very character." (Reverend Parris pg. 11)

Part of the Penguin Orange Collection, a limited-run series of twelve influential and beloved American classics in a bold series design offering a modern take on the iconic Penguin paperback Winner of the 2016 AIGA + Design Observer 50 Books | 50 Covers competition For the seventieth anniversary of Penguin Classics, the Penguin Orange Collection celebrates the heritage of Penguin's iconic book design with twelve influential American literary classics representing the breadth and diversity of the Penguin Classics library. These collectible editions are dressed in the iconic orange and white tri-band cover design, first created in 1935, while french flaps, high-quality paper, and striking cover illustrations provide the cutting-edge design treatment that is the signature of Penguin Classics Deluxe Editions today. The Crucible One of the true masterpieces of twentieth-century American theater, The Crucible brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving, but that compels readers to fathom their hearts and consciences in ways that only the greatest theatre can.

A literary study guide that includes summaries and commentaries.

The ultimate guide for anyone wondering how President Joe Biden will respond to the COVID-19 pandemic—all his plans, goals, and executive orders in response to the coronavirus crisis. Shortly after being inaugurated as the 46th President of the United States, Joe Biden and his administration released this 200 page guide detailing his plans to respond to the coronavirus pandemic. The National Strategy for the COVID-19 Response and Pandemic Preparedness breaks down seven crucial goals of President Joe Biden's administration with regards to the coronavirus pandemic: 1. Restore trust with the American people. 2. Mount a safe, effective, and comprehensive vaccination campaign. 3. Mitigate spread through expanding masking, testing, data, treatments, health care workforce, and clear public health standards. 4. Immediately expand emergency relief and exercise the Defense Production Act. 5. Safely reopen schools, businesses, and travel while protecting workers. 6. Protect those most at risk and advance equity, including across racial, ethnic and rural/urban lines. 7. Restore U.S. leadership globally and build better preparedness for future threats. Each of these goals are explained and detailed in the book, with evidence about the current circumstances and how we got here, as well as plans and concrete steps to achieve each goal. Also included is the full text of the many Executive Orders that will be issued by President Biden to achieve each of these goals. The National Strategy for the COVID-19 Response and Pandemic Preparedness is required reading for anyone interested in or concerned about the COVID-19 pandemic and its effects on American society.

First published in 1941, a classic portrait of a Soviet revolutionary who is imprisoned and tortured under Stalin's rule finds him agonizingly reflecting on his ironic career under the totalitarian movement.

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

For keyboarding skills students need tomorrow, this is the book they need today. 40 lessons introduce new key learning and technique mastery, and 40 additional lessons emphasize word processing and business-document formatting including MLA-style reports, personal business letters, flyers, and newsletters. Timed writings and a variety of interesting activities help with basic keyboarding skills as well as strengthen oral and written communication, word-processing and Internet skills. Includes the latest in teacher support material with a top-spiral Teacher's Edition that provides tips, notes, and classroom suggestions, and an Instructor's Resource CD that includes articles about teaching keyboarding, methodology, student data files, lesson plans, and document solutions. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In Never Enough, Mike Hayes—former Commander of SEAL Team TWO—helps readers apply high-stakes lessons about excellence, agility, and meaning across their personal and professional lives. Mike Hayes has lived a lifetime of once-in-a-lifetime experiences. He has been held at gunpoint and threatened with execution. He's jumped out of a building rigged to explode, helped amputate a teammate's leg, and made countless split-second life-and-death decisions. He's written countless emails to his family, telling them how much he loves them, just in case those were the last words of his they'd ever read. Outside of the SEALs, he's run

meetings in the White House Situation Room, negotiated international arms treaties, and developed high-impact corporate strategies. Over his many years of leadership, he has always strived to be better, to contribute more, and to put others first. That's what makes him an effective leader, and it's the quality that he's identified in all of the great leaders he's encountered. That continual striving to lift those around him has filled Mike's life with meaning and purpose, has made him secure in the knowledge that he brings his best to everything he does, and has made him someone others can rely on. In *Never Enough*, Mike Hayes recounts dramatic stories and offers battle- and boardroom-tested advice that will motivate readers to do work of value, live lives of purpose, and stretch themselves to reach their highest potential.

Clint Emerson, retired Navy SEAL and author of the bestselling *100 Deadly Skills*, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Operating from the shadows, with an instinct for running towards trouble, his unique skill set made him the perfect hybrid operator. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. MacGyvering everyday objects into working spyware was routine, and fellow SEALs referred to his activities simply as "special shit." His parameters were: find, fix, and finish—and of course, leave no trace. *The Right Kind of Crazy* is unlike any military memoir you've ever read because Emerson is upfront about the fact that what makes you a great soldier and sometimes hero doesn't always make you the best guy—but it does make for damn good stories.

Discover how to change the lives of the people around you In *You Can Change Other People*, the world's #1 executive coach, Peter Bregman, and Howie Jacobson, Ph.D., share the Four Steps to help the people around you make positive change – even if they've been stuck for years. The authors rely on over 50 years of collective professional experience to show you exactly what to say to influence those around you for the better. Changing the way you talk will stop you from being perceived as a critic, and turn you into a welcomed and effective ally. You'll learn how to: Disarm their defensiveness and increase their confidence to act Turn people's biggest problems into even bigger opportunities Ensure accountability and follow through without making them dependent on you No one wants to be changed; but change and personal growth are critical to success, and more importantly, to a fulfilled life. *You Can Change Other People* is a must-read for those who want to improve their impact with co-workers, family members, and everyone in between.
