Youngsters are invited to explore different kinds of tools and help Curious George fix things around the house with the movable hammer and wrench in this new novelty book inspired by the Emmy Award-winning television show.

When Curious George's new bath toys go down the drain, it's time to call the plumber. With some amazing tools (and George's help), the toys are found and the pipes are cleared. When a second drain disaster occurs, George tries fixing it on his own, without the same success. Ultimately, George learns that the best way to keep the plumbing system working is to prevent clogs in the first place . . . and to invest in extra large (and extra fun) bath toys. George's latest adventure includes fun facts about how water gets to your house along with a coloring and tool-labeling activity.
