Title contains the suggested solutions for June past papers 2 & 3 for the years 2000-2007, June Paper 2 solutions for the years 2008-2010 and May Paper 2 past paper for 2011.

This Handbook provides a systematic and analytical approach to the various dimensions of international, ethnic and domestic conflict over the uses of national history in education since the end of the Cold War. With an upsurge in political, social and cultural upheaval, particularly since the fall of state socialism in Europe, the importance of history textbooks and curricula as tools for influencing the outlooks of entire generations is thrown into sharp relief. Using case studies from 58 countries, this book explores how history education has had the potential to shape political allegiances and collective identities. The contributors highlight the key issues over which conflict has emerged ¶ including the legacies of socialism and communism, war, dictatorships and genocide ¶ issues which frequently point to tensions between adhering to and challenging the idea of a cohesive national identity and historical narrative. Global in scope, the Handbook will appeal to a diverse academic audience, including historians, political scientists, educationists, psychologists, sociologists and scholars working in the field of cultural and media studies.

These Study Guides have been developed exclusively with the Caribbean Examinations Council (CXC(r)) to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate (CSEC(r)) programme. They provide candidates with extra support to help them maximise their performance in their examinations.

The authoritative guide to using the English language effectively, from [the greatest writer on grammar and usage that this country has ever produced] (David Yerkes, Columbia University). The author of The Chicago Manual of Style's popular [Grammar and Usage] chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English[the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner's lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. ¶[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.¶John E. McIntyre, Baltimore Sun

CRESTFALLEN at CHICANERY and CIRCUMLOCUTION? Have no TRUCK with TOMFOOLERY and TRUMPERY? Or OMNISCIENT about OBLOQUIES and OPSIMATHS? Whether you've answered yes, no or 'sorry, I didn't catch that', 500 Beautiful Words You Should Know is for you. It offers words that flow EXQUISITELY off the tongue; words that are just perfect for their meaning, like the lazy-sounding SLOTH and the heavy-footed GALUMPH; words that will make you sound clever, like DEUTERAGONIST and LETHOLOGICA; and words that are just fun to say, like LIQUEFACTION and LUXURIATE. It'll tell you where they come from, how to use them and whether you're likely to BAMBOOZLE anyone who's listening to you. With occasional special features on great words for colours, words from the Classics and words that make you laugh, this is a book to delight BIBLIOPHILES and BLATHERSKITES alike.

Better Vocabulary in 30 Minutes a Day offers a lively and entertaining method for adding a more impressive list of words to your everyday speech, and for learning how to use them effortlessly and accurately. Besides giving definitions, this invaluable guide provides roots and elements of words so that you can increase your vocabulary base by thousands of exciting, new words and use them in sentences. Sprinkled throughout the book are fascinating stories about words and origins. Even if you can't spare 30 minutes a day to learn to speak and write eloquently, Better Vocabulary in 30 Minutes a Day allows you to custom-design your learning to take as little as five minutes a day. That's a small commitment for the lifelong benefit of speaking and writing better.
