Tell us about your floral arrangements Our flowers were done by Jane from Daphne and Doreen Flower Studio. She favours working with seasonal British flowers and was so knowledgeable that, apart from a few basic ideas we let he r run with what she thought was best. She created beautiful Easter basket table arrangements that guests later took home.

A relaxed, Easter wedding in Norfolk

Norah: A St. Patrick's Day Bride (Brides of Noelle Book 3) eBook: Amanda McIntyre, Brides of Noelle: Amazon.co.uk: Kindle Store

A young bride shuts herself up in a bedroom on her wedding day, refusing to get married. In this moving and humorous look at contemporary Israel and the chaotic ups and downs of love everywhere, her family gathers outside the locked door, not knowing what to do. The bride's mother has lost a younger daughter in unclear circumstances. Her grandmother is hard of hearing, yet seems to understand her better than anyone. A male cousin who likes to wear women's clothes and jewelry clings to his grandmother like a little boy. The family tries an array of unusual tactics to ensure the wedding goes ahead, including calling in a psychologist specializing in brides who change their mind and a ladder truck from the Palestinian Authority electrical company. The only communication they receive from behind the door are scribbled notes, one of them a cryptic poem about a prodigal daughter returning home. The harder they try to reach the defiant woman, the more the despairing groom is convinced that her refusal should be respected. But what, exactly, ought to be respected? Is this merely a case of cold feet? A feminist statement? Or a mourning ritual for a lost sister? This provocative and highly entertaining novel lingers long after its final page.

Reading Roisin Meaney's novels is like 'sitting down with a good friend over a cup of tea' (Irish Mail on Sunday) It's Friday, April 2. Daphne Darling knows that she should be celebrating her stepdaughter Una's 17th birthday, but it's hard, because the date also marks the one-year anniversary of her husband's death and she and Una just can't seem to connect anymore. Daphne can't turn to her own mother Isobel for advice as their relationship is distant, to say the least, and Mo, Finn's elderly mother, is still grief-stricken at the death of her only son, so she is of little help. But by the end of that day in April, marking the occasion with a slice of cake and a glass of wine will be the last thing on anyone's mind... Before that Friday, Daphne, Mo and Isobel were all stuck in the past, with their grief and their loss. And then Una takes matters into her own hands, and even though she makes a terrible mistake, she teaches Daphne, Mo and Isobel something about life: that it is to be lived and that, in spite of everything they've been through, happiness can still be a part of it.

Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

A comprehensive guide to creating flower arrangements, with suggestions on how to grow and buy the best flowers, as well as the techniques of the professionals

What's your favorite fairy tale? Whether it's "Cinderella," "Beauty and the Beast," "Hansel and Gretel," or another story, your answer reveals something significant about you, your experiences, and your soul. In this penetrating book, Joan Gould brings to the surface the hidden meanings in fairy tales and myths, and illuminates what they can tell you about the stages in your own life. As Gould explores the transformations that women go through from youth to old age-leaving home and mother, the first experience of sexuality, the surprising ambivalence of marriage, the spiritual work required by menopause and aging-her keen observations will enrich your awareness of your inner life. Full of archetypal figures known to us all, Spinning Straw into Gold also includes stories from the lives of ordinary women that clarify the insights to be gained from the beloved tales that have been handed down from one generation to the next.

"In prose as painterly and evocative as Chagall's own dazzling brushstrokes, Gloria Goldreich finely evokes one of the most significant masters of modern art through the discerning eyes of [his] loyally protective daughter."-Cynthia Ozick, award-winning author of Foreign Bodies Beautiful Ida Chagall, the only daughter of Marc Chagall, is blossoming in the Paris art world beyond her father's controlling gaze. But her newfound independence is short-lived. In Nazi-occupied Paris, Chagall's status as a Jewish artist has made them all targets, yet his devotion to his art blinds him to their danger. When Ida falls in love and Chagall angrily paints an empty wedding chair (The Bridal Chair) in response, she faces an impossible choice: Does she fight to forge her own path outside her father's shadow, or abandon her ambitions to save Chagall from his enemies and himself? Brimming with historic personalities from Europe, America and Israel, The Bridal Chair is a stunning portrait of love, fortitude, and the sharp divide between art and real life. "Only Gloria Goldreich could write a novel so grounded in historical truths yet so exuberantly imaginative. The Bridal Chair is Goldreich at her best, with a mesmerizing plot, elegant images, and a remarkable heroine who...will remain with you long after the last page."-Francine Klagsburn, Jewish Week columnist and acclaimed author of Voices of Wisdom
