What does the Bible really say about money? About wealth? How much does God expect you to give to others? How does wealth affect your friendships, marriage, and children? How much is "enough"? There's a lot of bad information in our culture today about wealth and the wealthy. Worse, there's a growing backlash in America against our most successful citizens, but why? To many, wealth is seen as the natural result of hard work and wise money management. To others, wealth is viewed as the ultimate, inexcusable sin. This has left many godly men and women confused about what to do with the resources God's put in their care. They were able to build wealth using God's ways of handling money, but then they are left feeling guilty about it. Is this what God had in mind?

A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.

This question and answer book is the perfect resource guide for equipping individuals with key information about everyday money matters. Questions and answers deal with 100+ of the most-asked questions from The Dave Ramsey Show—everything from budget planning to retirement planning or personal buying matters, to saving for college and charitable giving. This is Dave in his most popular format—ask a specific question, get a specific answer.

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your handbook that will take the ideas in your head and the dream in your heart and turn them into action. *Help you create a step-by-step, customized plan to start and grow your business. *Show you how to manage your time so you can have a business- and life- that you love. *Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. *Teach you how to use marketing to reach the right people in the right way.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them. Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.

A strategy for changing attitudes about personal finances covers such topics as getting out of debt, the dangers of cash advances and keeping spending within income limits.

In *Smart Money Smart Kids*, Financial expert and best-selling author Dave Ramsey and his daughter Rachel Cruze equip parents to teach their children how to win with money. Starting with the basics like working, spending, saving, and giving, and moving into more challenging issues like avoiding debt for life, paying cash for college, and battling discontentment, Dave and Rachel present a no-nonsense, common-sense approach for changing your family tree.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's *Complete Guide to Money* covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

"Your go-to gift for new fathers." — Dave Ramsey, New York Times bestselling author, motivational speaker, and radio host Whether you know it or not, if you're a dad, you'e a hero— that's the message of bestselling author and pediatrician Meg Meeker. Even if you're struggling with all the demands of fatherhood, let Dr. Meeker reassure you: every man has it within him to be the hero father his children need. With simple step-by-step instructions and drawing on long experience—including her work with the NFL's Fatherhood Initiative—Dr. Meeker shows you how to be the father you want to be and your children need you to be. Discover why fathers are even more important to their children than their mothers are; why your children want you to be their hero—even if their relationship with you has been strained or distant; and secrets that can help divorced dads, widowed dads, and stepfathers maintain—or rebuild—a strong relationship with their children As Dr. Meeker writes, "If you want what is best for your children—if you want what is best for you—you should strive to be a hero father. In this book, I hope to show you how."

A simple, straight-forward game plan for completely making over your money habits! Best-selling author and radio host Dave Ramsey is your personal coach in this informative and interactive companion to the highly successful New York Times bestseller *The Total Money Makeover*. With inspiring real-life stories and thought-provoking questionnaires, this workbook will help you achieve financial fitness as you daily work out those newly defined money muscles. Ramsey will motivate you to immediate action, so you can: Set up an emergency fund (believe me, you're going to need it) Pay off your home mortgage?it is possible. Prepare for college funding (your kids will love you for it) Maximize your retirement investing so you can live your golden years in financial peace Build wealth like crazy! With incentive exercises that really do exercise your spending and saving habits, Ramsey will get your mind and your money working to make your life free of fiscal stress and strain. It's a no-nonsense plan that will not only make over your money habits, but it will also completely transform your life.
