of international intrigue and nonstop military action. It is The Campus. Secretly created under the administration of President Jack Ryan, its sole purpose is to eliminate terrorists and those who protect them. Officially, it has no connection to the American government—a necessity in a time when those in power consider themselves above such arcane ideals as loyalty, justice, and right or wrong. Now covert intelligence expert Jack Ryan Jr. and his compatriots at The Campus—joined by black ops warriors John Clark and “ Ding ” Chavez—have come up against their greatest foe: a sadistic killer known as the Emir. Mastermind of countless horrific attacks, the Emir has eluded capture by every law enforcement agency in the world. But his greatest devastation is yet to be unleashed as he plans a monumental strike at the heart of America. On the trail of the Emir, Jack Ryan Jr. will find himself

Equally dangerous. A devout enemy of Jack Sr. launches a privately-funded vendetta to discredit him and connect him to a mysterious killing in his longtime ally John Clark ' s past. All they have to do is catch him. With Clark on the run, it ' s up to Jack Jr. to stop a growing threat emerging in the Middle East, where a corrupt Pakistani general has entered into a deadly pact with a fanatical terrorist to procure four nuclear warheads they can use to blackmail any world power into submission—or face annihilation.

"With fifty thousand Russian troops poised to invade a NATO nation, can Jack Ryan move swiftly enough to stop [Russian president Valeri] Volodin's grand plan of global conflict and conquest?"--Jacket.

fate of an old friend in this blistering entry in the #1 New York Times bestselling series. The CIA's deepest secrets are being given away for a larger agenda that will undermine the entire Western intelligence community. Director of National Intelligence Mary Pat Foley wants it stopped but doesn't know who, how or why. Jack Ryan, Jr., is dispatched to Poland on a different mission. The clues are thin, and the sketchy trail dead ends in a harrowing fight from which he barely escapes with his life. If that's not bad enough, Jack gets more tragic news. An old friend, who's dying from cancer, has one final request for Jack. It seems simple enough, but before it's done, Jack will find himself alone, his life hanging by a thread. If he survives, he'll be one step closer to finding the shadowy figure behind the CIA leak and its true purpose, but in the process, he'll challenge the world's most dangerous criminal syndicate with devastating

Quinn Mitchell is a nine-to-five spy—an intelligence analyst for the CIA during the day, and a suburban wife and mother on evenings and weekends. After her young daughter is killed in a tragic accident, sending her life into a tailspin, Quinn hopes to find a new start in her latest assignment: investigating a series of bizarre international assassinations whose victims have been found with numeric codes tattooed, burned, or carved into their flesh. As Quinn follows the killer ’ s trail across the globe, always one body behind, she begins uncovering disturbing connections between the murders—and herself. Every lead she tracks down in pursuit of the assassin brings Quinn one step closer to the Epoch Index, a mysterious encrypted message discovered in the archives of the Large Hadron Collider. Its origins are

unknown and decrypting it is beyond even the CIA. Yet nothing else can possibly link together a slew of unsolvable murders, an enigmatic and sophisticated serial killer who always seems to be three steps ahead, a quirky young physics prodigy whose knowledge extends well beyond her years, and, underlying everything, the inescapable tragedy of Quinn ' s own past. Discovering the meaning of the Epoch Index leads Quinn to a shocking twist that shatters everything she thought she knew about the past, the future, and the delicate balance of right and wrong that she must now fight to preserve.
