Across the United States, Jews come together every week to sing and pray in a wide variety of worship communities. Through this music, made by and for ordinary folk, these worshippers define and re-define their relationship to the continuity of Jewish tradition and the realities of American life. Combining oral history with an analysis of recordings, *The Lord's Song in a Strange Land* examines this tradition in contemporary Jewish worship and explores the diverse links between the music and both spiritual and cultural identities. Alive with detail, the book focuses on metropolitan Boston and covers the full range of Jewish communities there, from Hasidim to Jewish college students in a transdenominational setting.

It documents a remarkably fluid musical tradition, where melodies are often shared, where sources can be as diverse as Sufi chant, Christmas carols, rock and roll, and Israeli popular music, and where the meaning of a song can change from one block to the next.

Part of the story is a true memoir of a heartbreaking childhood because of a strangely abusive mother. There is a mother-child problem one can only call sensational because of its shocking

dimensions. This story also is part of other true life stories of women from dysfunctional families. The women are survivors. And they are complicated, juicy, compelling and remarkably diverse. As the story moves from Los Angeles to the Middle East this contemporary story takes on the the theme of nationalism versus the true meaning of home, homeland, and our true connections to each other.

(Tara Books). Volume 2 continues with more Israeli love songs, liturgical standards like the moving "Bilvavi, L'chi Lach" by Debbie Friedman, and several Yiddish and Ladino selections.
