Food stores always propose you such a choice of different protein bars with more and more amazing tastes but can we really trust them that they will do the job you expect them to do for your diet and your health! The advantage of the protein bar is that it is convenient to slip into your gym bag or pocket. It is you who decides whether the protein bar is a simple snack for you or a replacement for your meal. So it is very important to know what exactly you are eating and whether what you chose for your meal will do exactly what your body needs. So, be careful not to fall into the trap of some brands who bet everything on the marketing rather than on the composition of their bars. It is important to read the nutritional values of protein bars because they don't always seem to be what they are. Even with a healthy and varied list of ingredients, the sugar content should not be more than 30gr, which is the equivalent of two tablespoons, especially if there are other ingredients like dried fruits that add more sugar without being noticed. Similarly, a very long list of ingredients is unnecessary and is more deceitful than anything else. So, if you are careful and read nutrition labels and ingredients lists, it is possible that you will discover that actually you are not consuming what you think you do. The best in this case is to make your own homemade protein bars. For the purpose to avoid all confusions with ingredients and trust you are really following your protein diet get this DIY Protein Bar Cookbook and start having fun with your training sessions without fear of not having the right balance of protein.

The New York Times bestseller from the founder of Oh She Glows "Angela Liddon knows that great cooks depend on fresh ingredients. You'll crave every recipe in this awesome cookbook!" —Isa Chandra Moskowitz, author of Isa Does It "So many things I want to make! This is a book you'll want on the shelf." —Sara Forte, author of The Sprouted Kitchen A self-trained chef and food photographer, Angela Liddon has spent years perfecting the art of plant-based cooking, creating inventive and delicious recipes that have brought her devoted fans from all over the world. After struggling with an eating disorder for a decade, Angela vowed to change her diet — and her life — once and for all. She traded the low-calorie, processed food she'd been living on for whole, nutrient-packed vegetables, fruits, nuts, whole grains, and more. The result? Her energy soared, she healed her relationship with food, and she got her glow back, both inside and out. Eager to share her realization that the food we put into our bodies has a huge impact on how we look and feel each day, Angela started a blog, ohsheglows.com, which is now an Internet sensation and one of the most popular vegan recipe blogs on the web. This is Angela's long-awaited debut cookbook, with a treasure trove of more than 100 mouthwatering, wholesome recipes — from revamped classics that even meat-eaters will love, to fresh and inventive dishes — all packed with flavor. The Oh She Glows Cookbook also includes many allergy-friendly recipes — with more than 90 gluten-free recipes — and many recipes free of soy, nuts, sugar, and grains, too! Whether you are a vegan, "vegan-curious," or you simply want to eat delicious food that just happens to be healthy, too, this cookbook is a must-have for anyone who longs to eat well, feel great, and simply glow!
