France for its rightful heir.

This historical novel purportedly written by Joan's longtime friend -- Sieur Louis de Conte -- discloses Twain's unrestrained admiration for the French heroine's nobility of character.

Joan of Arc was born in a small French village during the worst period of the Hundred Years' War. For generations, France had been besieged by the British. At age 11, Joan began to see religious visions telling her to join forces with the King of France. By the time she was a teenager, she was leading troops into battle in the name of her country. Though she was captured and executed for her beliefs, Joan of Arc became a Catholic saint and has since captured the world's imagination.

This reader tells the story of Joan of Arc, the saint in armour and is part of a series which is designed for the National Curriculum and the Scottish and Irish Curricula to improve and aid the development of children's reading skills.

An illustrated exploration of the life of Harriet Tubman that covers her childhood, experiences as a slave, escape to freedom, work on the Underground Railroad, antislavery activism, and other topics.

Even centuries after her death, Joan of Arc remains both deeply admired and mysterious. This title recounts her rise from obscurity as the daughter of a tenant farmer to military leadership in the French campaigns against the British in the Hundred Years' War. It also highlights a strong woman embracing a destiny that, ultimately, meant sacrificing her own life for her faith and nation. The story of this unflinching leader—who remains a French national hero—during an era when women had far fewer freedoms than they do today makes for a lively, informative, and inspiring resource.

• Experiential activities for celebrating the saints • For use in churches, schools, camps, and home settings Many of our experiences in life happen when several generations are together – at church, at home, in our communities. Often we only celebrate the saints on All Saints Sunday or when a particular saint is commemorated in a secular way. This volume in the Faithful Celebration series focuses on some well-known and some not-so-well-known saints, many who are not all officially "sainted" but certainly having lived a life of faith under difficult circumstances. Each event recalling a particular saint includes key ideas, a cluster of activities to experience the key ideas, materials needed, full instructions for implementation, background history and information, music, art, recipes, and prayer resources to use in a small, intimate or large multi-generational group. For children, youth, adults, or any combination of ages any of these activities can take place in any setting.
