"It is almost Friday night. Outside, the dark is getting darker," and here and there around the city ninety-two men and thirteen women are getting dressed to go to work. First they bathe and put on their underwear. Then they don special black-and-white apparel. Then when the one hundred and five people are completely ready, each takes a musical instrument and travels to midtown. There, at 8:30 tonight, they will work together: playing. One fresh and fair summer day, as soon as his parents go out, Gorky sets up his laboratory by the kitchen sink to have another try at concocting a magic potion. This time he strikes upon the missing ingredient--half a bottle of his mother's attar of roses--and he knows it's success at last. While he is waiting for the bubbly, glinting liquid to show what it can do, he heads over to Elephant Rock, "his

best spot for doing nothing." But on the way he stops to bask in the sun, soon falls asleep--and wakes to find himself floating in the immensely blue sky, clutching his bottle of magic. There follows the most astonishing, bewildering, and bedazzling adventure a young frog could possibly have. Orbiting the globe has its ups and downs, however, and Gorky soon begins to wonder if he'll ever get back to earth. He does manage to outwit the magic; but the potion saves a last surprise until Gorky reaches Elephant Rock, just one day later than he had planned. *Gorky Rises* is a 1980 New York Times Book Review Best Illustrated Book of the Year, Notable Children's Book of the Year, and Outstanding Book of the Year.

It's a bright and beautiful spring day, and Pearl, a pig, is dawdling on her way home from school. Most unexpectedly, she strikes up an acquaintance with a small bone. "You talk?" says Pearl. "In any language," says the bone. "And I can imitate any sound there is." (Its former owner was a witch.) Pearl and the bone immediately take a liking to each other, and before you know it she is on her way home with the bone in her purse, left open so they can continue their conversation. Won't her parents be surprised when she introduces her talking bone! But before that happy moment comes, the resourceful bone must deal with a band of highway robbers in Halloween masks and, worse, a fox who decides that Pearl will be his main course at dinner that night. And deal it does, with gambits droll and thrilling.
