About the Novel: This is the story of Princess Elizabeth who is in love with Prince Ronald and they plan to soon marry. One day, a terrible dragon smashes Elizabeth's castle, burns her clothes and disappears with her Prince Ronald. Everything is burnt, so she wears a paper bag and sets off to go get him. She outwits the dragon by

independence. It has been ten years since the first edition, in which Debbie chronicled a year in her own classroom. Reading with Meaning, Second Edition supports that work and expands her vision of strategy instruction and intentional teaching and learning. Debbie believes that every child deserves at least a full year of growth during each classroom year and offers planning documents with matching assessments to ensure that no child falls through the cracks. The second edition also provides new book recommendations that will engage and delight students, and current picture books

different aspects of literary reading, texts, and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children's literature. Part one considers perspectives on readers and reading literature in home, school, library, and community settings. Part two introduces analytic frames for studying young adult novels, picturebooks, indigenous literature, graphic novels, and other genres. Chapters include commentary on literary experiences and creative production from renowned authors and illustrators. Part three focuses on the

social contexts of literary study, with chapters on censorship, awards, marketing, and literary museums. The singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds, thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory.

The theories and analyses of post-structural thinkers such as Michel Foucault can seem a long way from practice in early childhood services. In recent years, however, many

early childhood researchers and practitioners have found this work important and this fascinating book brings together a range of research and case-studies showing how teachers and researchers have brought post-structuralism to the classroom. The book covers such issues as: becoming post-structurally reflective about truth mapping classroom meanings tactics of rhizoanalysis becoming again in critically-knowing communities. Case-studies and examples taken from real situations are used and will be of interest to anyone studying or researching early childhood practice and policy.

This collection offers a thorough treatment of the ways in which the verbal and visual semiotic modes interrelate toward promoting gender equality and social inclusion in children's picture books. Drawing on cutting-edge theoretical work in multimodality, including multimodal cognitive linguistics, multimodal discourse analysis, and visual social semiotics, the book expands on descriptive-oriented studies to offer a more linguistically driven perspective on children's picture books. The volume explores the choice afforded to and the lexico-
